MUSKEGON SENIOR HIGH SCHOOL

MUSKEGON, MICHIGAN

SUPERINTENDENT OF SCHOOLS, Mr. C. W. Bemer, has done so much for this system since he came here as Superintendent in 1943. To him more than to any other one person goes the credit for the improvement of the status of the instructional staff, the improvement in the instructional program, and the development of the large school building program. The high educational standards for which he has constantly striven will be reflected in the lives of Muskegon's future citizens. To Mr. Bemer goes our sincere gratitude for his excellent administration of the Muskegon Public School, and our wishes for many happy days ahead.

Dedication

SAID AND DONE STAFF are very pleased to dedicate the 1957 Yearbook to

MISS EBBA BEDKER AND MR. C. W. BEMER

"A PROPHET is not without honour save in his own country" is a familiar quotation — most frequently true. However, in the person of Miss Ebba H. Bedker we find an exception to this statement. In her own country, Muskegon, Miss Bedker has been an excellent student, a hospitable hostess, a forceful teacher, and an ardent worker in her church.

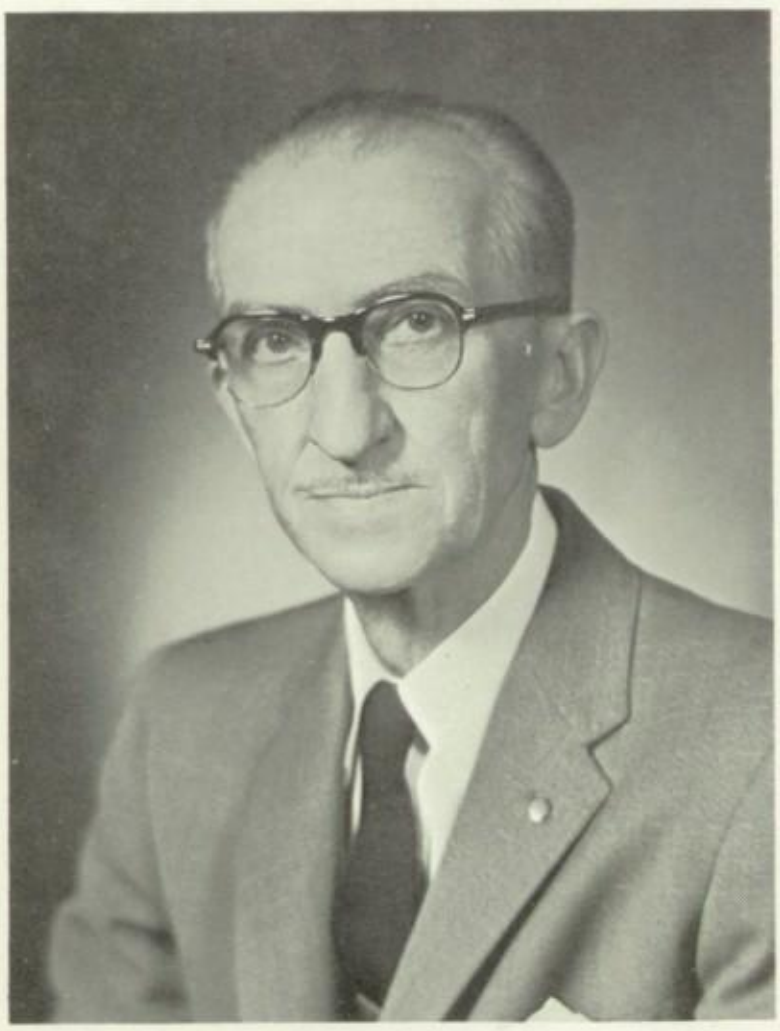
While very young, she returned to teach in the school from which she had been graduated. Here, for many years, she has been impressing students with the imperative need for high standards of scholarship and for high accomplishments in life.

Through perseverance, through a personal example of high quality scholarship, through unremitting effort to maintain goals for her pupils, for herself, and for her school, Ebba Bedker has left her mark on this community. For pupils and teachers it is a privilege to have known her and to have worked with her.

THE REPUTATION of a school is determined by the loyal men and women who have dedicated their lives to the development of stalwart young Americans. We who love our school consider it in rank to no other in our state. Through years of service to the youth of this community, Eva T. Sheridan has contributed in no small part to the proud tradition of our school.

A native of Muskegon, she has her roots deep in this community. Knowing that no chain is stronger than its weakest link, she has given freely of time and energy to guide and encourage faltering feet. By extending a hand of understanding and friendship, she has helped to lead our youth to adult goals of security and integrity. Miss Sheridan might well be designated the lady with "a lantern in her hand."

Appreciation



FOR THE PAST YEARS, Mr. Arthur J. Reed has directed the Commercial Department of Senior High School with wisdom and dignity. His teaching always has been influenced by a constant effort to prepare his students for positions of leadership and responsibility in the tasks that lay ahead. All of us hope that our commodore's voyage in that uncharted sea of retirement will be free from fog and storm and blessed with fair skies and gentle winds.

Life in High School Prepares for Life in The Port City

THE SCHOOL reflects the community interests. Without the loyal support, financially and spiritually, of the citizens, the school could not exist. Muskegon is setting its sights as a potential port for international shipping upon the completion of the St. Lawrence Seaway project.

Already ships from foreign nations stop here to load and unload cargo. Each year sees an increase in the port facilities. Even now cargo ships are berthed here for the winter season, and the luxury ship, Aquarama, was built and conditioned in Muskegon.

So it is fitting that the theme of this yearbook should be nautical. Muskegon Senior High School is like a ship with its officers, personnel, its charted course, and maneuvers.

The Sailor's Yarn

"THIS IS THE STORY" . . . the story of our year highlighted by special incidents and everyday happenings, the ridiculous and the sublime.

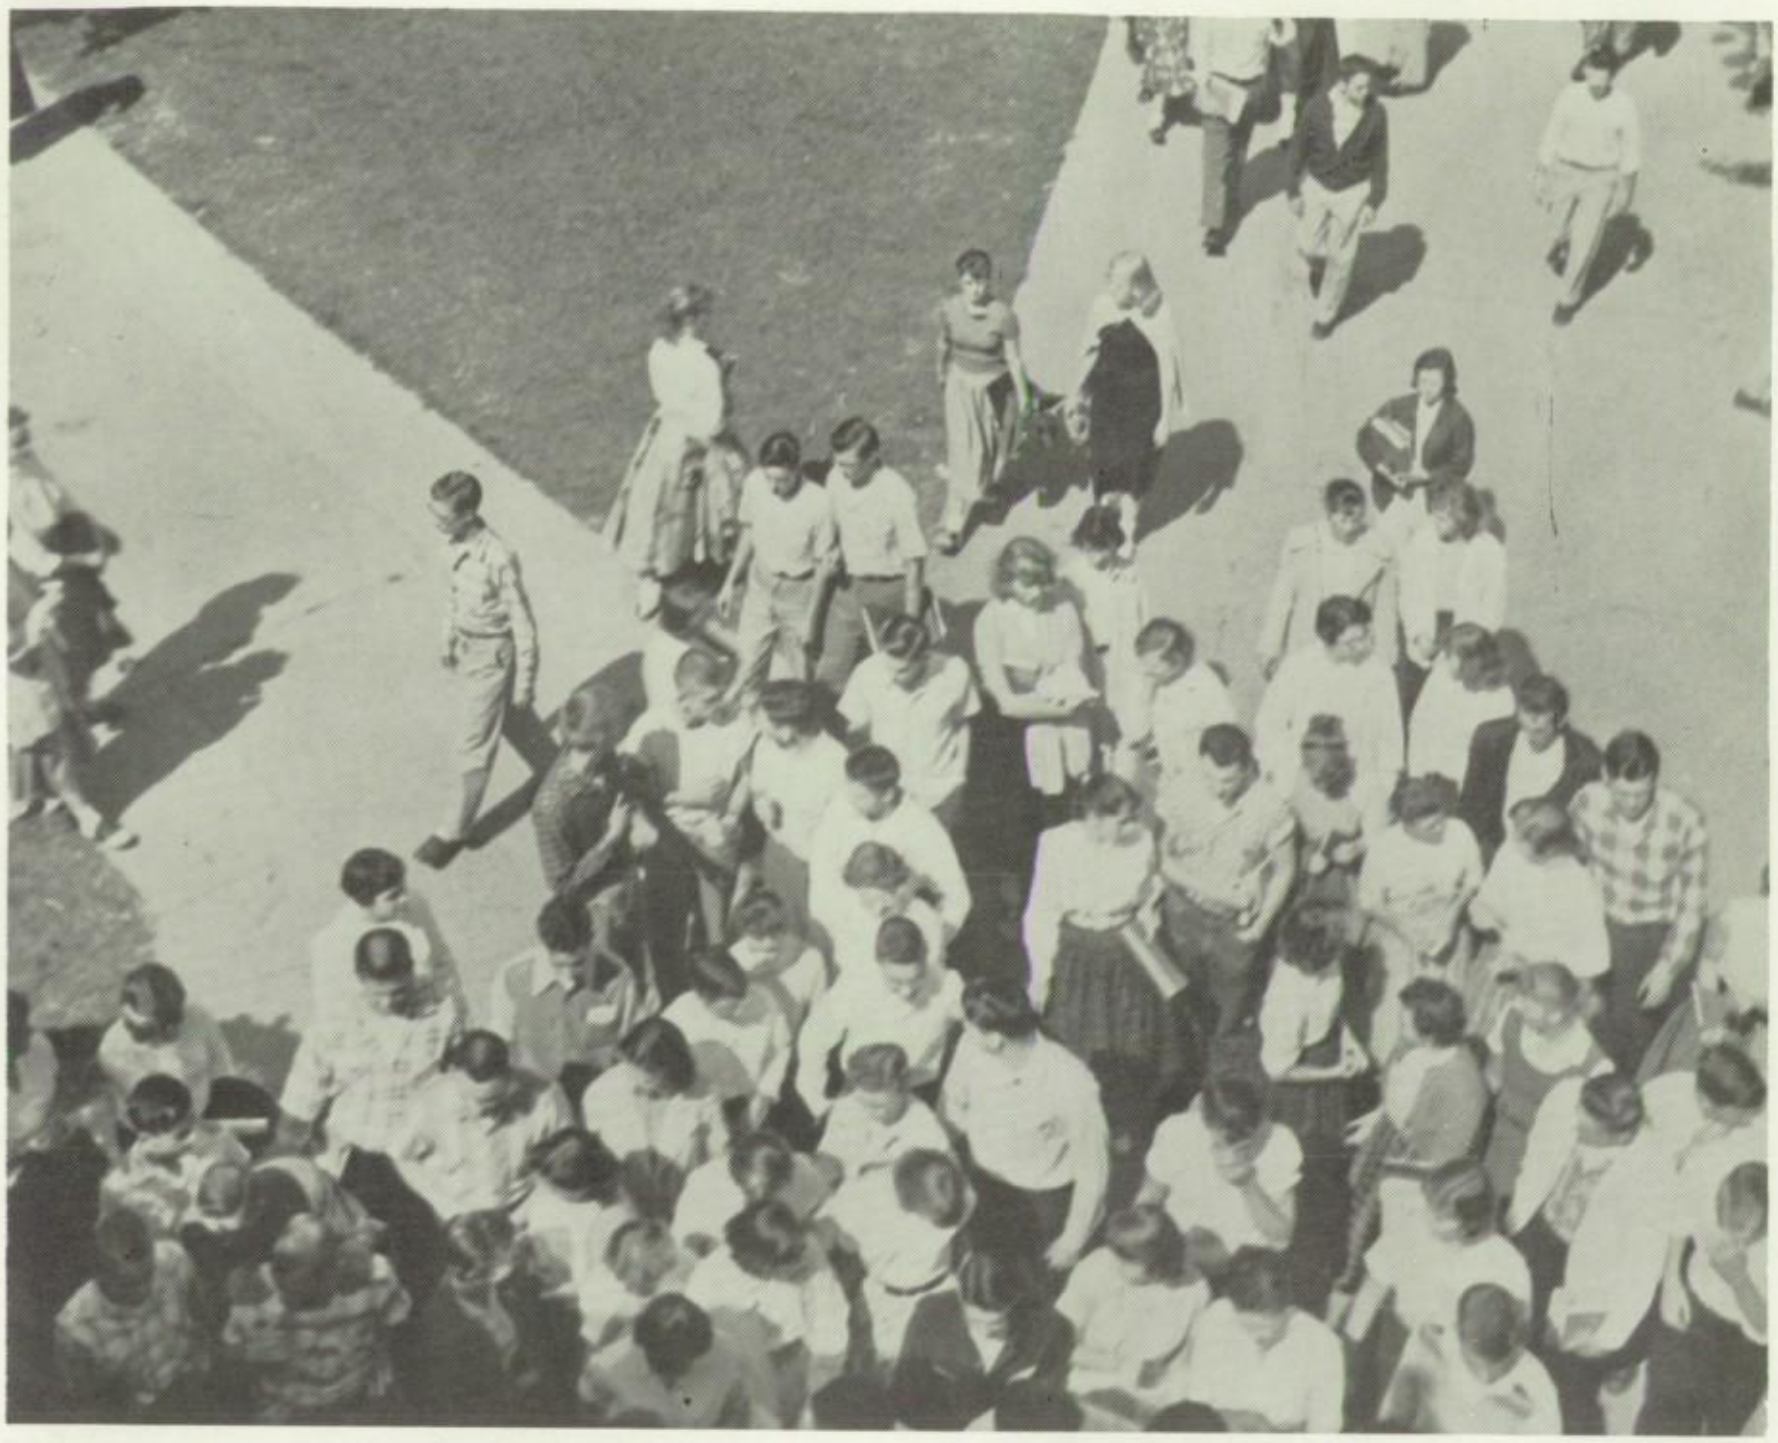
This was the year that the enrollment reached two thousand, necessitating additional classroom space, changes in the cafeteria with new serving counters, and a milk dispenser in 207. Changes were noted in scholastic requirements for graduation, and an experiment in a major work program for selected students was started the second semester.

To embellish our campus, a lighted bulletin board was erected.

New faces were seen around the buildings in the persons of faculty and maintenance personnel.

Mostly though, the old routines were obvious. We cheered at the athletic events, danced at the proms, attended classes, worked on committees for club activities and studied for exams. The year sped by.

Our Year



The first day of school, and students are anxious to enter the building.

Another School Year Begins

AS THE SCHOOL YEAR of 1956-57 opened, the enrollment reached the 2000 mark. Students swarmed near the entrance to be admitted the first day. As the balmy weather and golden colors continued, students were eager to remain outside to bask in the sunshine and loll on the lawns.

Fall brought many activities, the football season with the games, cheers, band formations at half-time, and the spicy smell of hot dogs and aroma of hot coffee dispensed at the Hi-Y stand. The Homecoming festivities added interest and color.

Many new faces were seen about the building including a head custodian, two exchange students one from Finland and the other from France and all the other students new to M. H. S. plus new faculty members.

Added to the routine of classes were the ever welcome assemblies which included plays, talent shows, and programs for special holidays.

A feature of our spring Student Council election was the assembly. This shows Dave Cook's campaign.

We Are Taught to Practice Democracy

THE STUDENTS of Muskegon High were very fortunate to enroll four new students from Europe and the Middle East this year. Ann Thorwall from Finland and Jean Mandelbaum from France came to Muskegon through the American Field Service program. They studied here the past year and then returned to their respective countries to help interpret the American way of life to their people.

George Woolff emigrated from Germany with his family and will remain in the United States and become an American citizen as will Attallah Amash and his family from Palestine.

Our new friends, Ann Thorwall, Attallah Amash, Jean Mandelbaum, and George Woolff from across the sea gather to talk before "Old Abe."

The Charleston dancers entertained us at our talent assembly.

Bulletin Board Announces Our Entertainment

M. H. S. CAN BOAST of a new bulletin board at the front of the school. The bulletin board lists the activities of interest that take place at Central Campus. The board was a gift to the school from the graduating classes of June, 1955, February, 1956, June, 1956, and the Student Council. The students and community appreciate this fine gift very much.

Carol Shepherd and Carol Klooster set up the announcements on the new bulletin board.

Bob Kloosterman, Nancy Nolan, Jim Nelson, and Beverly Wessel model the latest fads.

We Keep in Step with the Latest Styles

WE ALL TOOK ADVANTAGE of Dudes Day to bring out our Sunday best. The origin of this day goes back a long time and there are many stories as to its beginning. For the boys it means suffering with a collar and tie; for the girls, sore feet. However, it gives us all an opportunity to appear at our best. It also has a psychological effect on our behavior.

Carol Kilcrease found high heels to be too much at the end of Dudes Day.

Christmas Atmosphere Prevails

WE WERE ENTERTAINED by five area high school choirs when the Muskegon choir was host to Muskegon Heights, North Muskegon, Holland, and Grand Haven choirs at the second annual Christmas festival.

The purpose of this concert is to bring about better relations between the schools of this area. It is one of the activities sponsored by the West Shore Activities Organization.

The combined choirs of North Muskegon, Muskegon, Muskegon Heights, Holland, and Grand Haven presented a Christmas Concert at our auditorium.

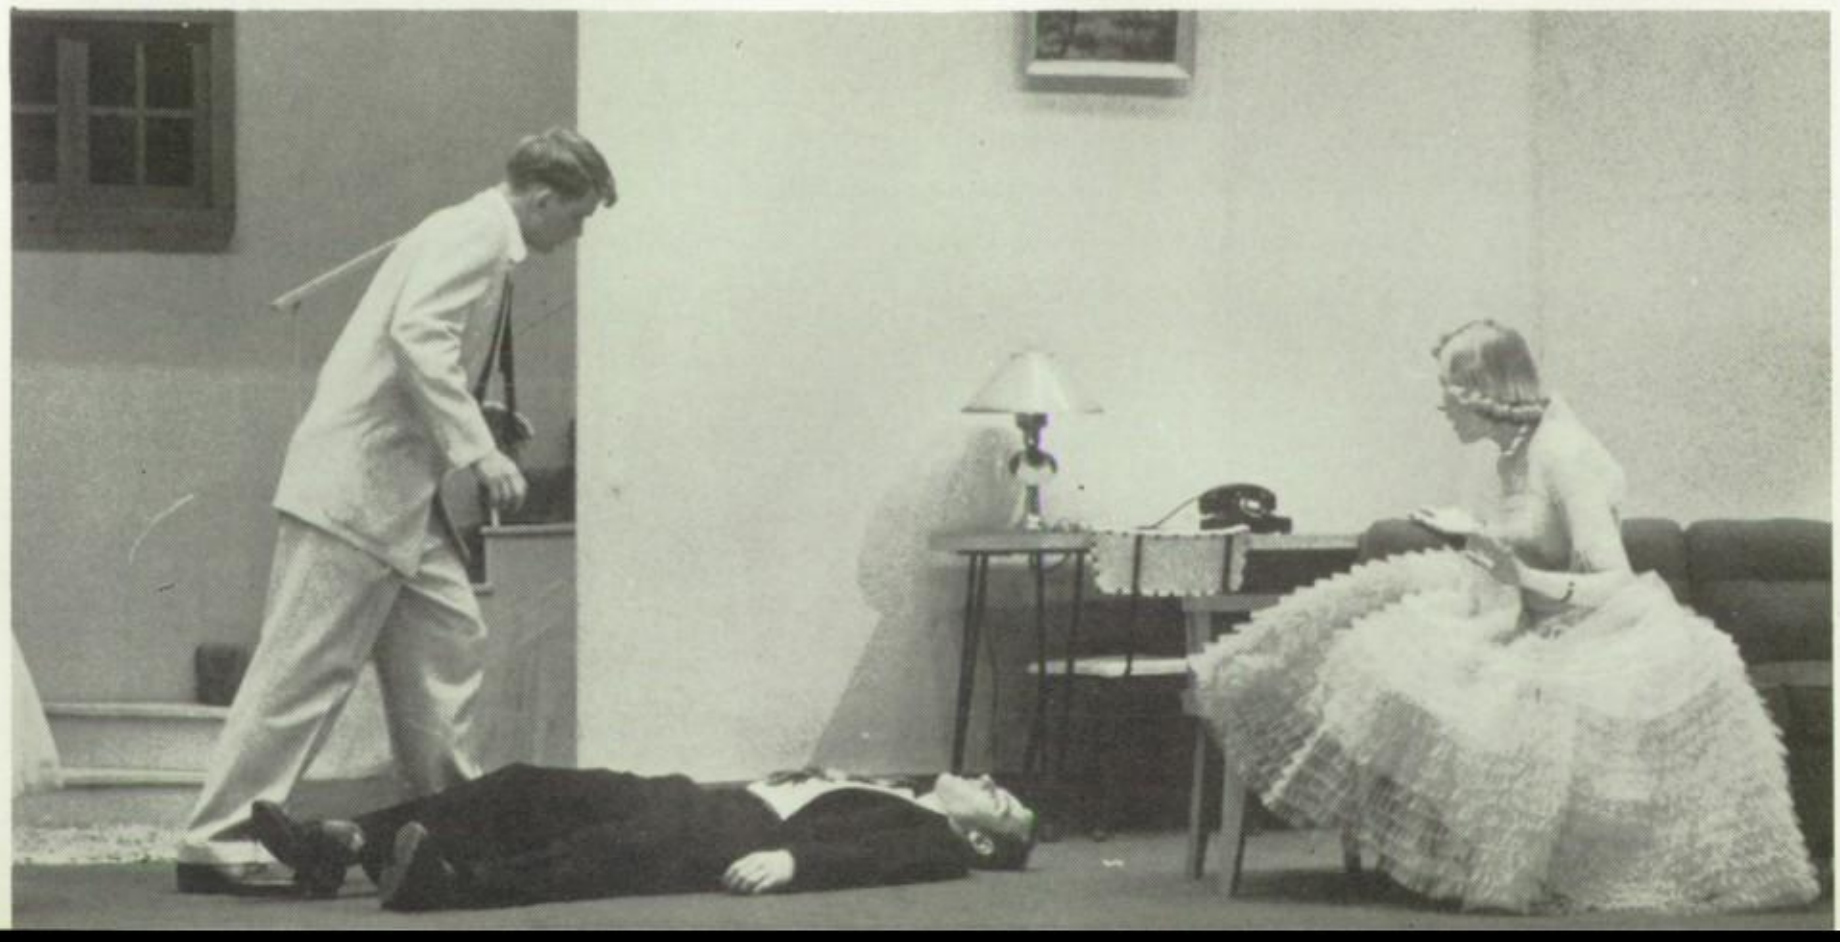
Mr. Townsend has an ulterior motive.

Dramatics Take The Spotlight

A HIGHLIGHT of the fall season was the Masque play, "The Heiress." Full of suspense, the play had a surprise ending. Heading the cast were Paul DeHorn, Mary Ward, Chris Chonis, and Dave Sandberg. The cast was supported by Jerry Shrieber, Pat Knop, and Joretta Johnson.

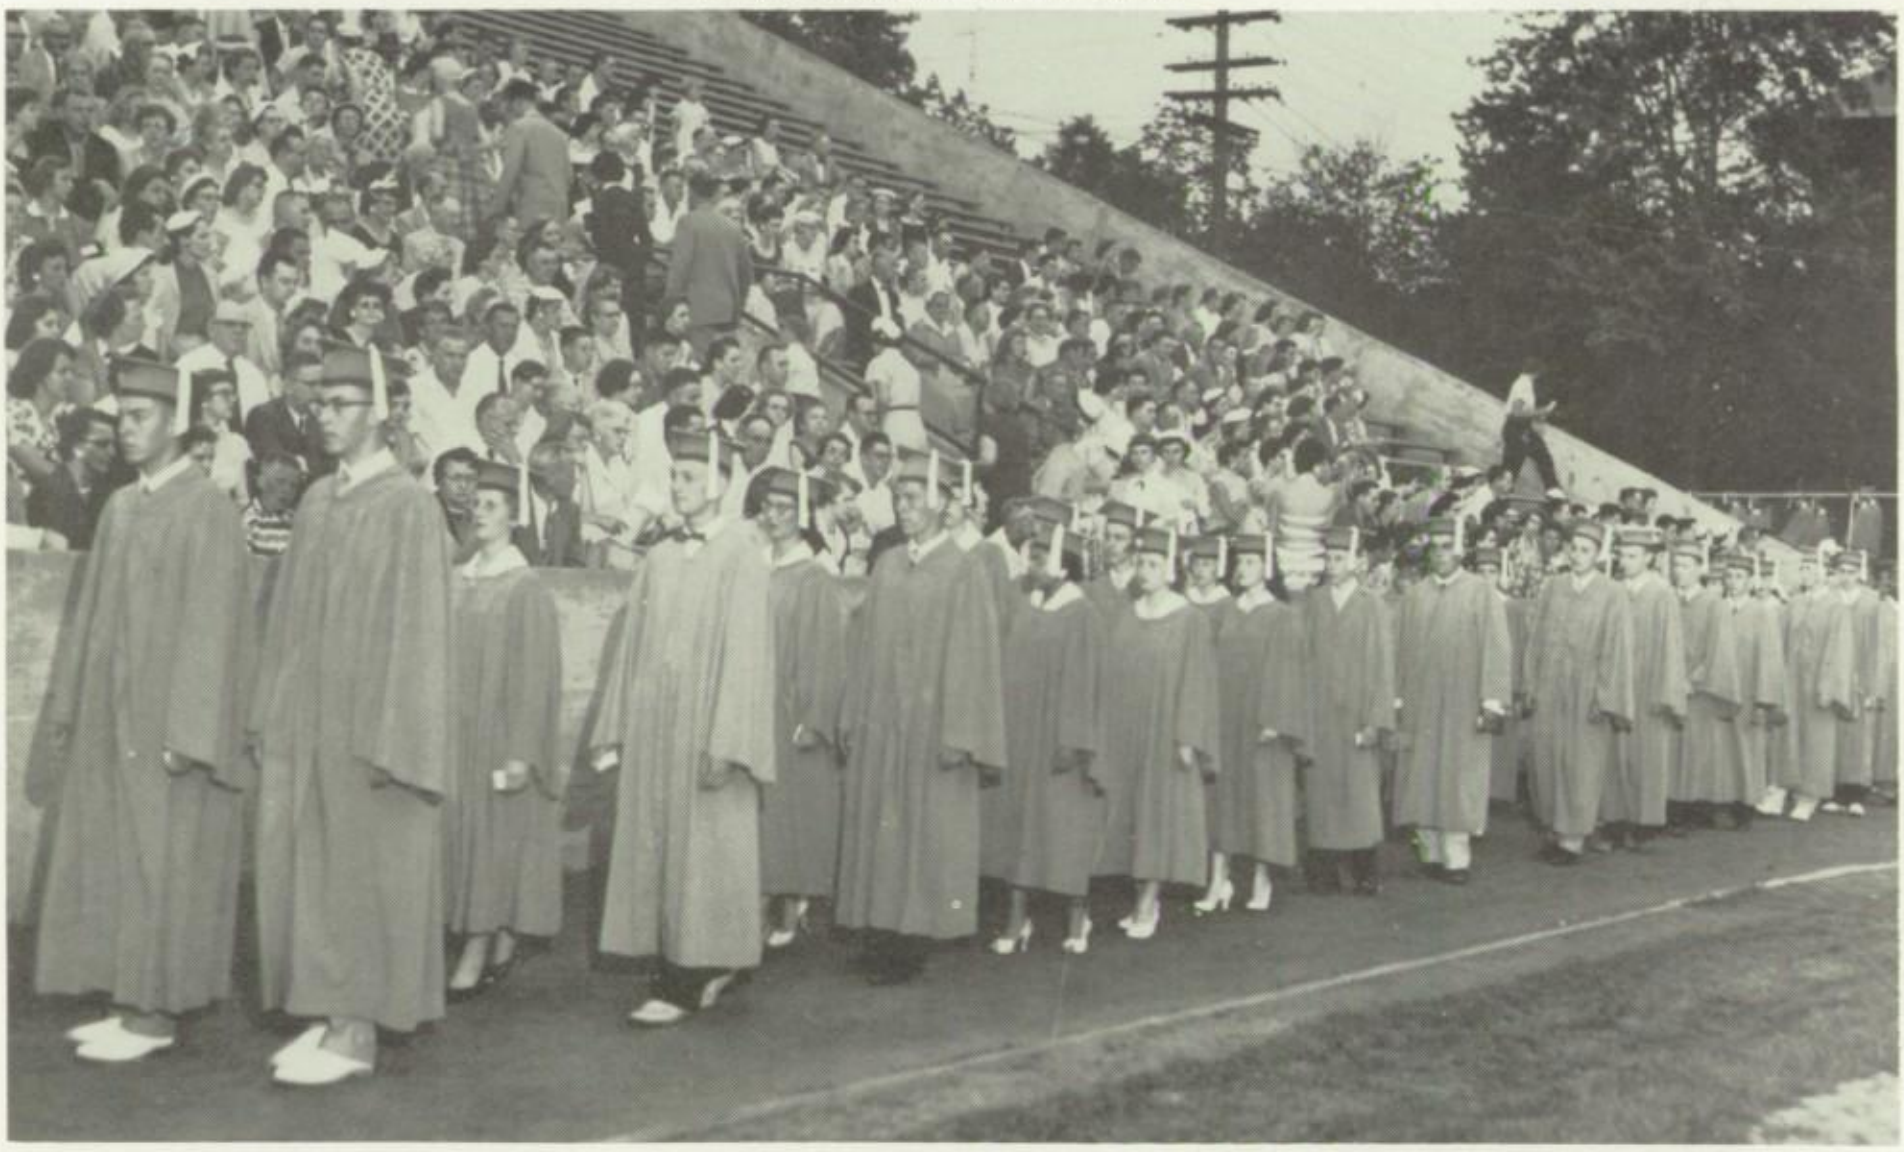
The seniors presented "Stag Line" and scored a success with Tom Thompson and Patricia Ferrell in the lead roles.



Just time for a few last goodbyes.

And so Ends the Story of Our Year

Everyone look, here come the Seniors!



Charting the Course

EVERY SHIP must have a charted course to reach port, else it may founder and sink. So our school must have a year's schedule to follow. Certain goals must be set and achieved. To plan the year's work the administrators, faculty, and counselors meet every month and more often as needed. Cooperation is necessary to plan the best courses and methods in order to achieve results.

Administration

MUREL G. BURDICK, A.B. & M.A.

Senior High Principal

Mr. Burdick, a graduate of Olivet College and the University of Michigan, is a native of Michigan. His favorite expression is, "Oh for heaven's sake."

Top Brass Chart the Course . . .

EDWARD J. HUTTENGA, A.B. & M.A.

Director of Vocational Education

A graduate of Western Michigan and University of Michigan, Mr. Huttenga is a native of Grand Haven, Michigan. His favorite expression is, "Chin up."

DONALD IHRMAN, A.B. & M.A.

Senior High Assistant Principal

A graduate of Hope College and Western Michigan College, Mr. Ihrman was born and reared in Holland, Michigan. He now resides in Muskegon with his wife and daughter.

ALICE KYES, A.B. & A.M.

As assistant principal and counselor Mrs. Kyes is kept very busy. Mrs. Kyes is a graduate of Oberlin College and The University of Chicago. Her home town is Muskegon.

and See That We Stay on It

MUSKEGON SENIOR High School administrators have a busy time charting the route and keeping our ship on its course. Determining policies, setting up schedules, coordinating activities between the various buildings on the campus, and developing new procedures are every-day routines for these leaders.

EMILY HERKIMER, B.S. & M.A.

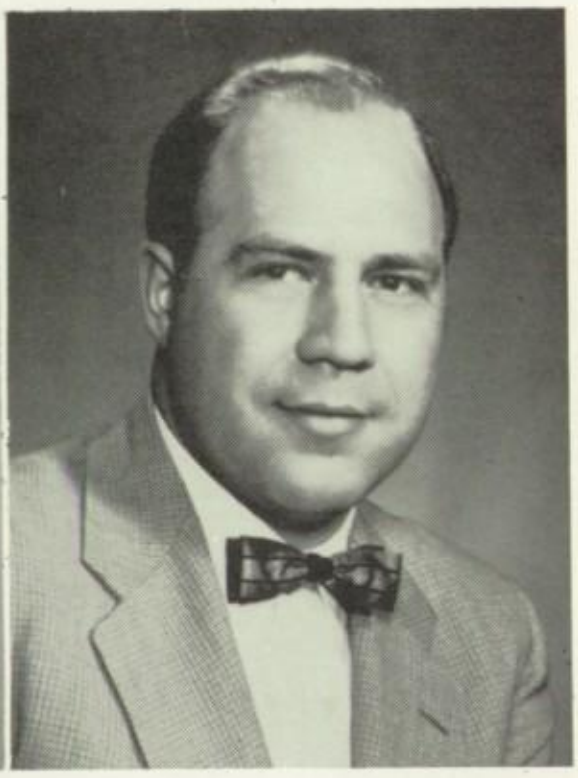
Homemaking Supervisor

Miss Herkimer is a graduate of Michigan State University and Teachers College, Columbia.

THADDEUS DIEBEL, B.A. & M.A.

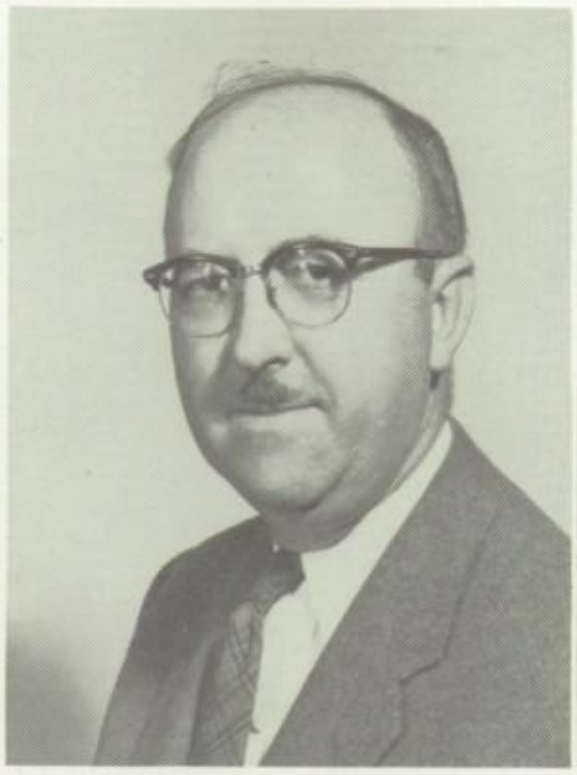
Assistant Director of Manual

Pigeon, Michigan, is Mr. Diebel's home town. He attended Michigan State and University of Michigan. "Let's be awake," is Mr. Diebel's favorite expression.



FREDERICK BRAIL, B.S. & M.A.

As a counselor, Mr. Brail's favorite expression is "How are you doing?" He is a graduate of Central Michigan College and Ohio State University. He was born and reared in Baldwin, Michigan. Mr. Brail also supervises the visual education program in our school.



WILLIAM DENTON, B.A. & M.A.

Mr. Denton has varied interests besides counselling in M.H.S. He received his degrees from Ohio Wesleyan University and The University of Michigan. He comes from Wheeling, West Virginia.

HARRIET REID, B. ED.

Miss Reid trained at The State Teachers College, Mankato, Minnesota, in physical education but transferred to counseling because she likes young people and has their confidence. Her home town was Canby, Minnesota.

Counselors Answer Our S.O.S. . . .

WHAT COURSE should I take? Shall I drop this subject and take something else? What college will best fit my needs? What are my aptitudes for a career? These are routine questions answered by the counseling personnel. Keeping a complete file of every student, administering tests, conducting interviews, and scheduling keep the counselors more than busy.

Detlef Kruger receives assistance from Mr. Denton while Mr. Brail observes. This is a daily scene in the counselors' office.

Stewards Keep the Records

Others who help keep the ship M.H.S. running smoothly are the office girls. Mrs. Veitenheimer is making an announcement over the P. A. system for Mrs. Klooster, Mrs. Boyink runs the duplicator, Mrs. Casterline deposits money for Mrs. Backer, while Mrs. Hagstrom is busy checking schedule cards.

CHECKING CREDITS, filing, keeping records, and answering hundreds of questions for both faculty and students are but a few of the tasks efficiently carried out by the office staff to keep M. H. S. functioning.

In the fall of 1956, through the installation of a P.A. System, the office became the source of the daily announcements in addition to its other activities. Mr. Burdick usually gives special announcements before the radio students take over the mike for routine bulletins. Special programs are also presented over the P.A. System from time to time.

EBBA BEDKER, A.B.
Miss Bedker, a twelfth grade English teacher, attended Northwestern University, University of California, Columbia University, and Middleberry College. She has no favorite expression.

JEANETTE CARLSON, A.B.
Mrs. Carlson, a Latin and refresher English teacher, believes, "If you can't say something nice, say nothing at all." Mrs. Carlson received her degree from Northwestern University. Her home town is Coloma, Michigan.

SARAH COUTCHIE, A.B. & M.A.
A graduate of Hope College and The University of Michigan, Mrs. Coutchie teaches English at M.H.S. Her home town is Muskegon.

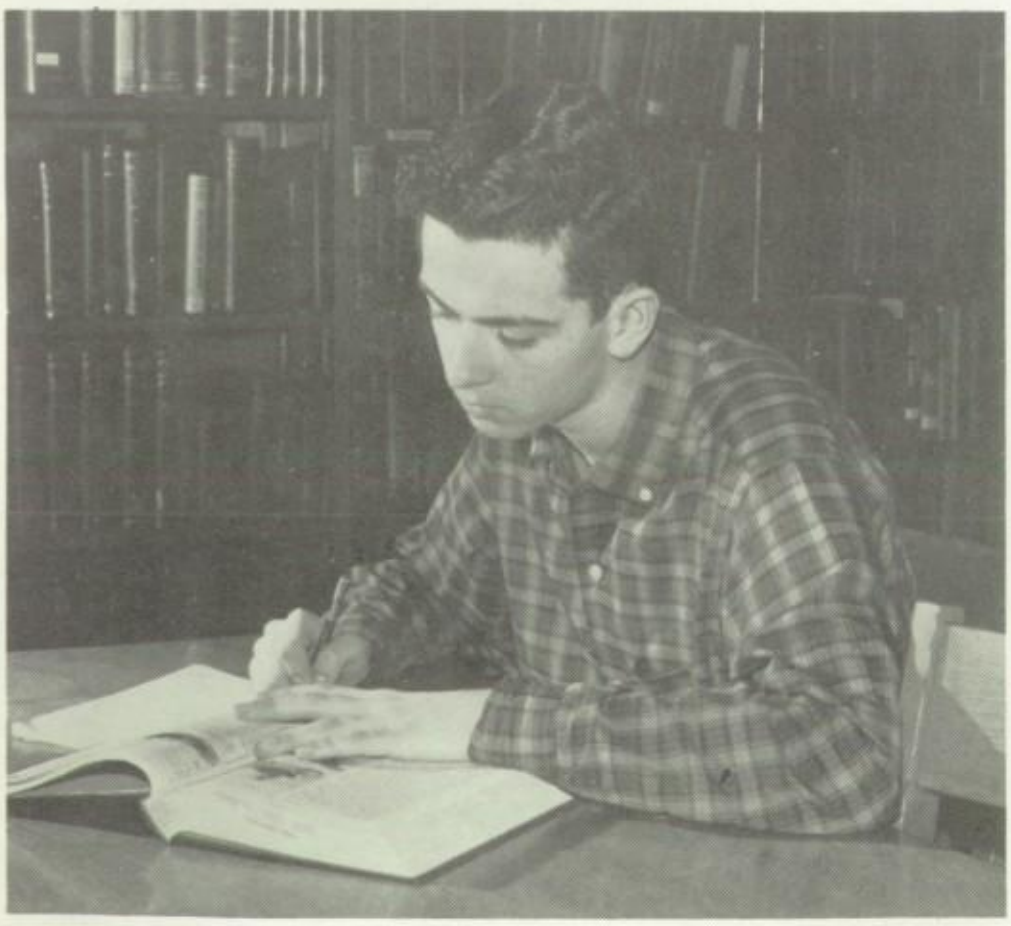
WILLIAM HARRISON, A.B.
Although Mr. Harrison has a great interest in journalism and photography, he also teaches English at M.H.S. Mr. Harrison received his training at The University of Michigan, Muskegon Commercial College and Western Michigan College.

THORA LUNDELL, B.A. & M.A.
A graduate of Concordia College and the University of Michigan, Mrs. Lundell, who teaches English III at M.H.S., came from Minnesota.

MILDRED O'REAR, A.B.
"Heavens," is Mrs. O'Rear's favorite expression. A graduate of Indiana University, her home town is Mauchport, Indiana. She is an English V teacher and is also interested in library work.

Toward More Picturesque Speech.

SO MUCH OF OUR world activities depend on effective communication of ideas. We learn how to express ourselves in written form through the study of grammar, vocabulary, and composition. Added to that is an understanding and appreciation of literature.



John Derouin does research work in the library for English theme.

RALPH PLUMMER, A.B. & M.A.
The University of Michigan and Eastern Michigan College are the colleges from which Mr. Plummer received his degrees. He teaches English at M.H.S. and his favorite expression is, "Now think carefully."

MARCELLA O'CONNOR, A.B.
Mrs. O'Connor, who teaches English V and VI is a graduate of The University of Michigan.

MABEL QUAIL, A.B. & Pd. B.
Mrs. Quail received her training at the Pennsylvania State Teacher's College, Alma College, and The University of Michigan. Her home town is Washington, Pennsylvania, not far from Pittsburgh. Her students remember her favorite expression as: "Ye gods and little fishes."

ETHEL RAUE, B.S.
"Rise and Shine," seems to be Miss Raue's favorite expression. A graduate of Northern Illinois Teacher's College and The University of Illinois, Miss Raue's home town is Crystal Lake, Illinois.

EVA SHERIDAN, B.A.
Eastern Michigan College is where Miss Sheridan received her training. Miss Sheridan teaches English at M.H.S.

PEGGY WINGLER, A.B. & M.S. in Ed.
Hillsboro, Illinois, is Mrs. Wingler's home town. Mrs. Wingler is a graduate of The University of Illinois and teaches tenth grade English and special reading classes.

and Greater Understanding of Literature

FOR THOSE who need refresher courses, that too, is provided in the basics of English grammar, composition, and reading skills.

The English department gears the work to fit the students who plan to go on to college as well as those who terminate their schooling at the high school level.

Patricia Polk — English VII — writes vocabulary words on blackboard while classmates seem amused at her hesitation in spelling.

Edith M. Merritt

MARIAN HELVIE, B.S.
As Spanish and English teacher at M.H.S. Miss Helvie's favorite expression is "Clase!" A graduate of The University of Illinois, her home town is South Bend, Indiana.

EDITH MERRITT, A.B. & M.A.
"Viam aut inveniemus aut faciemus," is Miss Merritt's favorite expression as a Latin teacher. As a graduate of Albion College, and Northwestern University, Miss Merritt's home town is Manistee, Michigan. Miss Merritt is a sponsor of J.C.L.

FLORENCE TOOL, B.A. & M.A.
Mrs. Tool comes from the state of Colorado. She received her training at The University of Colorado and Radcliffe College in Massachusetts. Mrs. Tool teaches French and is the advisor to French Club. "C'est formidable," is her favorite expression.

Languages Meet Barriers

IN THE PRESENT-DAY WORLD, understanding other people is vital, and a knowledge of their language, customs, history, and background is of utmost significance. To meet this need the language department offers French, Spanish, and Latin. Various techniques are employed to teach the subject matter such as the use of recordings, magazines, flash cards, and illustrative material.

Jeff Funkhouser examines a copy of "Life" in Spanish. He must be reading something amusing. Ron Holmes tries to see, too. Miss Helvie assists students in writing sentences.

Jennette Faber.

JENNETTE FABER, A.B.
As a speech and dramatics teacher of M.H.S., Miss Faber received her training at Alma College and Florida Southern. Leamington, Ontario, is Miss Faber's home town.

FRANKLIN POLING, A.B.
Eastern Michigan College is where Mr. Poling received his degree. Mr. Poling was born and reared in Hudson, Michigan. He teaches speech and radio at M.H.S.

FRANCES REDMOND, B.A.
"I can teach you, but you must learn," is Mrs. Redmond's favorite expression. She has attended U.C.L.A., State University of Iowa, and The Theodore Irwin Dramatic Art Studio and teaches English and speech at M.H.S. Jewell, Iowa, is Mrs. Redmond's home town and state.

MARGARET ELLIOTT, A.B. & M.S.
"Now you found a good book, didn't you?" is a favorite expression of Mrs. Elliott, a librarian at M.H.S. Mrs. Elliott received her degrees at Albion College and The University of Michigan.

ANNA JOHNSON, A.B. & Degree in Library Science
Miss Johnson received her training from Kalamazoo College and Graduate School of Louisiana State University. Her home town is St. Joseph, Michigan. "Oh, what a beautiful morning!" seems to be Miss Johnson's favorite expression.

From File Cards to Speakers Stand

NOT ONLY is written communication important, but oral expression is equally so. With the increasing importance of T. V., radio, and other electronic devices, speech has assumed major proportions. To be well educated — both the voice and body must be trained to express ideas.

Hand in hand with education in all branches is the very special work of the librarians who perform a most valuable service to faculty and students in providing needed references and reading material.

Members of the debate class admire the '56 award and hope they will win the '57 plaque. Members are: Karen Gronberg, Nancy Roberts, John Allen, Dave Sandberg, Chris Chonis, and Lynn Chevlin.

Nancy Phillips reads daily announcements over the P. A. system from the radio booth. Students get practical experience in radio techniques.

RAY CARLSON, M.A.
Mr. Carlson, a social science teacher of M.H.S., received his training at Albion College and The University of Michigan. Mr. Carlson's home town is Muskegon.

JAMES CURNALIA, M.A.
Mr. Curnalia teaches world history. A graduate of Olivet College and Cornell University, Mr. Curnalia's home town is Roscommon, Michigan.

PAUL DUNWORTH, A.B. & M.A.
"God helps them that help themselves," is Mr. Dunworth's favorite expression. A graduate of Western Michigan College and The University of Michigan, Mr. Dunworth teaches American history. His home town is White Cloud, Michigan.

ARILD NIELSEN, B.S. & M.S.
Mr. Nielsen comes from Wisconsin where he is a graduate of The University of Wisconsin and The River Falls State Teacher's College. Mr. Nielsen teaches American history. "Now - - - - - - - -," is Mr. Nielsen's favorite expression.

RUSSELL PARTINGTON, B.A. & M.A.
Mr. Partington received his degrees from The University of Michigan and Iowa State Teacher's College. His home town is Columbus Junction, Iowa.

ETHEL PIHLSTROM, B.S.
"Let's get on the beam," is Miss Pihlstrom's favorite expression. She graduated from The University of Minnesota. Miss Pihlstrom teaches history.

GEORGE RUSSCHER, A.B. & A.M.
Holland, Michigan, is where Mr. Russcher was born and reared. A graduate of Hope College, Mr. Russcher teaches English and history.

R. ZIMMERMAN, A.B.
A Central Michigan College graduate, Mr. Zimmerman teaches American history and American government at M.H.S. "Give it time enough and anything can happen," is Mr. Zimmerman's favorite expression.

We Learn to Appreciate Our Democracy

HISTORY, GEOGRAPHY, economics, and sociology are called upon to help solve world problems and find remedies for the ills of mankind. Our social studies department is giving students a rich background and a basic foundation for understanding these problems plus a challenge to find a solution.

To understand world affairs, Charles Turk and Jim Caswell locate the Suez Canal area on the globe. Lois Knutson studies the map of Michigan.

DOROTHY ANDREWS, A.B.
Mrs. Andrews, a geometry teacher at M.H.S., received her training at Hope College. Her home town is Zeeland, Michigan. Mrs. Andrews seems to have no modern expression.

DONALD MOONEY, B.S.
Mr. Mooney received his degree at Iowa State College. Mr. Mooney teaches algebra at M.H.S. His home town is Adair, Iowa.

DAVID OLSEN, B.S. & M.A.
"In addition to that," says Mr. Olsen when he gives out his daily assignments. Mr. Olsen, a geometry teacher at M.H.S., received his degrees at The Ball State Teacher's College. His home town is Muncie, Indiana.

ROBERT RITCHESKE, B.S.
Mr. Ritcheske received his training at The University of Michigan. He was born and reared in Muskegon, Michigan, where he teaches plane geometry and advanced algebra at M.H.S.

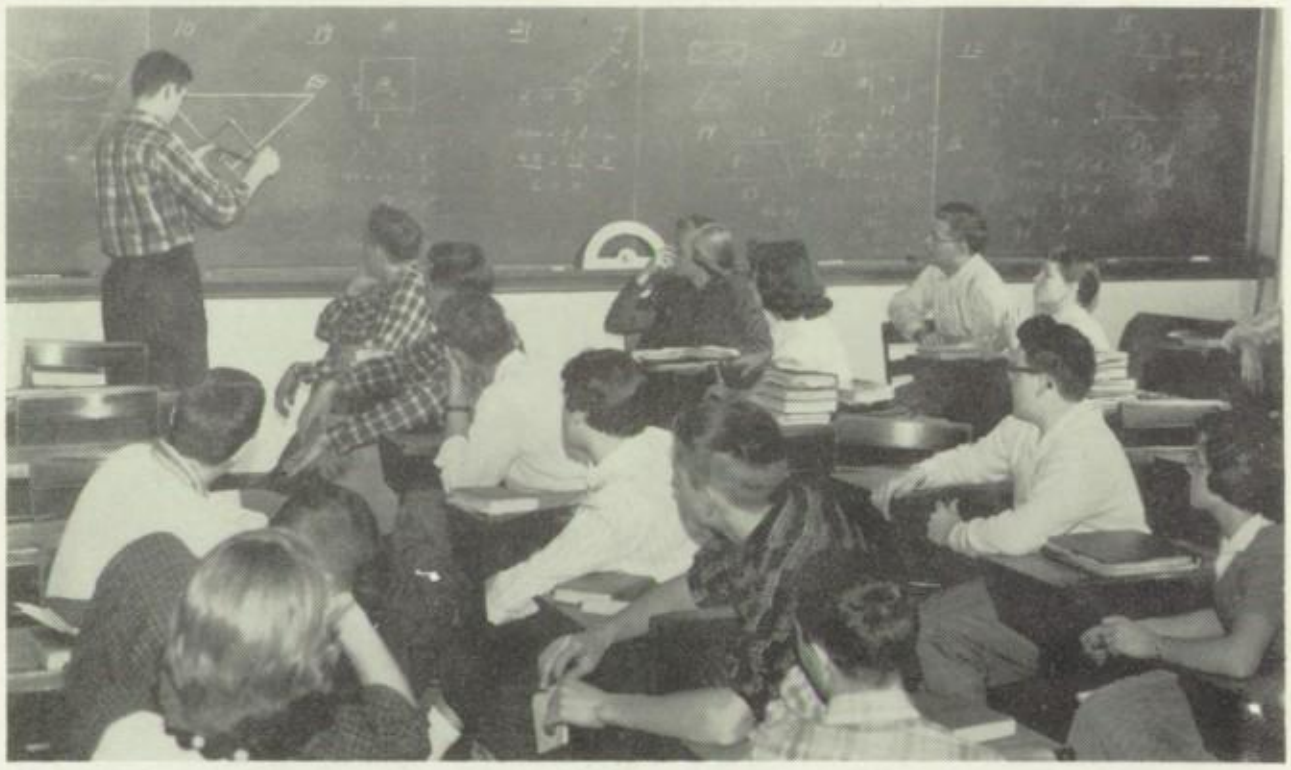
KENNETH ROLFE, A.B. & A.M.
Kalamazoo, Michigan, is Mr. Rolfe's home town. He received his degrees from Western Michigan College and The University of Michigan.

STANLEY ROLFE, A.B. & A.M.
Mr. Rolfe is a graduate of Western Michigan College, The University of Wisconsin, and The University of Michigan. He teaches algebra, trigonometry, and geometry. His home town is Kalamazoo, Michigan.

Technology Needs Formulas and Equations

MATHEMATICS IS BASIC to our modern technological age. The crying need is for more trained mathematicians and scientists. To help meet this need the math department offers the basic courses in algebra and geometry, the advanced work in those areas, plus trigonometry and calculus.

Jim Doubles explains how to tri-sect a line in plane geometry class.



ROBERT BAUER, B.S. & M.S.
"For heaven's sake" is Mr. Bauer's favorite expression. As chemistry teacher at M.H.S., Mr. Bauer received his training at St. John's University and The University of Notre Dame. His home town is New Ulm, Minnesota.

LLOYD HARTMAN, B.S.
Battle Creek, Michigan, is Mr. Hartman's home town. Mr. Hartman is a graduate of Western Michigan College. He teaches applied science at M.H.S.

LINDSAY NEAL, B.S.
"If you seek the good in all your new experiences, your life will ever travel on wings of beautiful songs." This statement is a belief of Mr. Neal, biology teacher at M.H.S. Mr. Neal is a graduate of Central Michigan College and The University of Michigan. His home town is Mt. Pleasant, Michigan.

OREN RODEWALD, B.S. & M.A.
As Senior class advisor, Mr. Rodewald is a graduate of River Falls State Teacher's College, Stout Institute and The University of Iowa. His home town is Elmwood, Wisconsin.

ADELAIDE THOMPSON, A.B.
A graduate of Coe College, Miss Thompson is a biology teacher at M.H.S. Her favorite expression is "Great Scott!" Miss Thompson's home town is Aplington, Iowa.

DOUGLAS TOOL, M.A.
Mr. Tool teaches chemistry at M.H.S. A graduate of The University of Michigan, Mr. Tool's home town is Murdock, Nebraska. Mr. Tool believes "Education requires effort and by the person being educated."

WINTHROP TRAUTMAN, A.B. & M.S.
Buffalo, New York, is where Mr. Trautman was born and reared. A graduate of The University of Michigan, Mr. Trautman teaches biology at M.H.S.

Microscopes and Test Tubes Give Facts

SCIENCE COURSES are designed to give facts about our everyday living from heredity to isotopes. Biology stresses the human and environmental factors as do chemistry and physics. Technology needs scientists, and our science department is helping to interest students in those lines so that our nation may keep progressing.

Mr. Neal, instructor in biology, points out some interesting items on an exhibit to Leon Young. Other projects exhibited include a mushroom carved in wood, a glass garden, and a clay model of the heart.

E. APPEL, B.S.
As mechanical and architectural drawing teacher at M.H.S., Mr. Appel is a graduate of Central Michigan College. Mr. Appel's home town is Muskegon, Michigan.

KENNETH KOLBERG, B.S.
Mr. Kolberg, a mechanical drawing teacher at M.H.S., is a graduate of Western Michigan College. He was born and reared at Grand Haven, Michigan.

WALTER LADD
A graduate of Western Michigan College and U.C.L.A., Mr. Ladd is an art metal teacher at M.H.S.

ANN MOLZEN, B.S. & M.A.
Muskegon is where Miss Molzen lives now. As art teacher at M.H.S. Miss Molzen received her training at Milwaukee State College and Northwestern University. Miss Molzen is the senior class advisor.

Art and Design Enrich Our Lives

CREATIVE ART through line, color, design, and textures is developed in the art and architectural departments.

Students with artistic ability and talent are trained to create in the mediums best suited to their ideas.

Don Herrgord works on an assignment under direction of Mr. Appel in architectural drawing class.

ANTHONY GILSDORF, A.B. & Ph.M.
Mr. Gilsdorf teaches bookkeeping, typing, and business arithmetic. He is a graduate of The University of Michigan and The University of Wisconsin. His home town is Elkhart Lake, Wisconsin.

CECELIA KNOLL, A.B.
Miss Knoll received her training at Western Michigan College. Her home town is Decatur, Michigan. Miss Knoll teaches typing, shorthand and transcription.

MARGARET HITCHCOCK, A.B.
Emmanuel Missionary College is where Miss Hitchcock received her training. She teaches typing and commercial arithmetic at M.H.S.

SHIRLEY LAUTNER, B.S.
Typewriting, bookkeeping, business mathematics, and office practice are the subjects taught by Miss Lautner. Miss Lautner received her degree from Central Michigan College. Her home town is Traverse City, Michigan.

GOLDIE MAYROSE, A.B.
Terre Haute, Indiana, is Mrs. Mayrose's home town. She received her degree at Indiana State Teacher's College and teaches economic geography, business arithmetic, bookkeeping, and typing.

Adding Machines, Typewriters, Comptometers,

SINCE SO MANY of us earn our living in the business world, the commercial department fills that need very admirably. Courses offered include secretarial, general clerical, and accounting. Students are given practical training in their fields and are usually well qualified to take positions in the local business area.

Erma Lakatos takes dictation and types on the electric typewriter while Jean Eller watches. Others are busy at machines.

HARVEY PAULSON, Ph.B. & M.A.
"That was a good stunt," is Mr. Paulson's favorite expression. Mr. Paulson is a graduate of The University of Chicago and Columbia University. He teaches commercial law and advanced bookkeeping at M.H.S.

As a bookkeeping and typing teacher at M.H.S., Mr. Stevens' favorite expression is "For every debit there is an equal credit." Mr. Stevens received his degrees at DePauw University and Northwestern University.

NORMA WRIGHT, B.S.
A graduate of Western Michigan College and The University of Michigan, Mrs. Wright's home town is Pentwater, Michigan. Mrs. Wright teaches shorthand and typing at M.H.S.

MARION YOUNG, B.S. & M.A.
Mrs. Young received her training at Ferris Institute and Michigan State University. Her home town is Muskegon where she teaches typing and shorthand at M.H.S.

and Shorthand Spell Business

ROBERT JENNINGS, B.M.E.
Mr. Jennings, vocal music and music appreciation teacher at M.H.S., received his degree at Augustana College. He also did some graduate work at Columbia University at New York City and went on a music study tour of Europe during the summer of 1956.

CAROLYN LENTZ, B. of Music
Miss Lentz obtained her training at The University of Michigan. She is assistant conductor of Senior High Orchestra; conductor at Central Junior High School and string instructor in grade school. Her favorite expression is, "OK — people."

FREDERICK ROYS, B.M. & M.M.
"Could be worse — could be me," is Mr. Roys' favorite expression. As director of instrumental music, Mr. Roys received his degrees at Western Michigan College and Michigan State University.

WILLIAM STEWART, B.A. & M.M.
As director of instrumental music, Mr. Stewart's favorite expression is, "Practice makes perfect." Mr. Stewart received his training at Eastern Michigan College and Northwestern University. His home town is Howell, Michigan.

Music Speaks a Universal Language

WITH AN EXCELLENT vocal and instrumental music department our students get a varied background of musical knowledge, training, and appreciation. The choirs, bands, and orchestra are the mediums through which students get an opportunity to develop their talents and through which they also learn cooperation and team work in playing or singing together.

Choir officers and director look over some new music for the group. Mr. Jennings, Marilyn Ferris, Paul DeHorn, Dick Warren, Peg Mixer, Sandra Johnson at the piano.

GLADYS COLLIER, B.S.
Central Michigan College and The University of Michigan is where Mrs. Collier received her training. She teaches family relations and homemaking at M.H.S. Her home town is Kaleva, Michigan.

AGNES McINTYRE, B.S.
As foods teacher at M.H.S., Miss McIntyre received her training at Michigan State University. Her home town is Tecumseh, Michigan. "Be quiet," seems to be Miss McIntyre's favorite expression.

THEO PACK, B.S. & M.A.

MILDRED COWAN, R.N. & B.S.
Mrs. Cowan, school nurse, received her training at The University of Michigan. Her home town is Muskegon.

Homemaking Courses Are Popular

YOUNG PEOPLE today are interested in establishing stable homes. To help the girls become better homemakers the Home Economics courses give training in the basic needs of cooking, tailoring, and interior decoration. Added to these is the course designed for understanding marriage and family life offered to both girls and boys.

Our nurse gives first aid and checks the general health of all students in Senior High.

Pin Money with Credit!

STUDENTS WHO do not plan to go on to college but enter the business field get specific training in the retail and commercial vocations.

Attending classes in the morning the students get the basic and required courses of English, history, and commercial subjects and then work at their jobs in the afternoons. In this way they can earn while they learn and combine theory with practice.

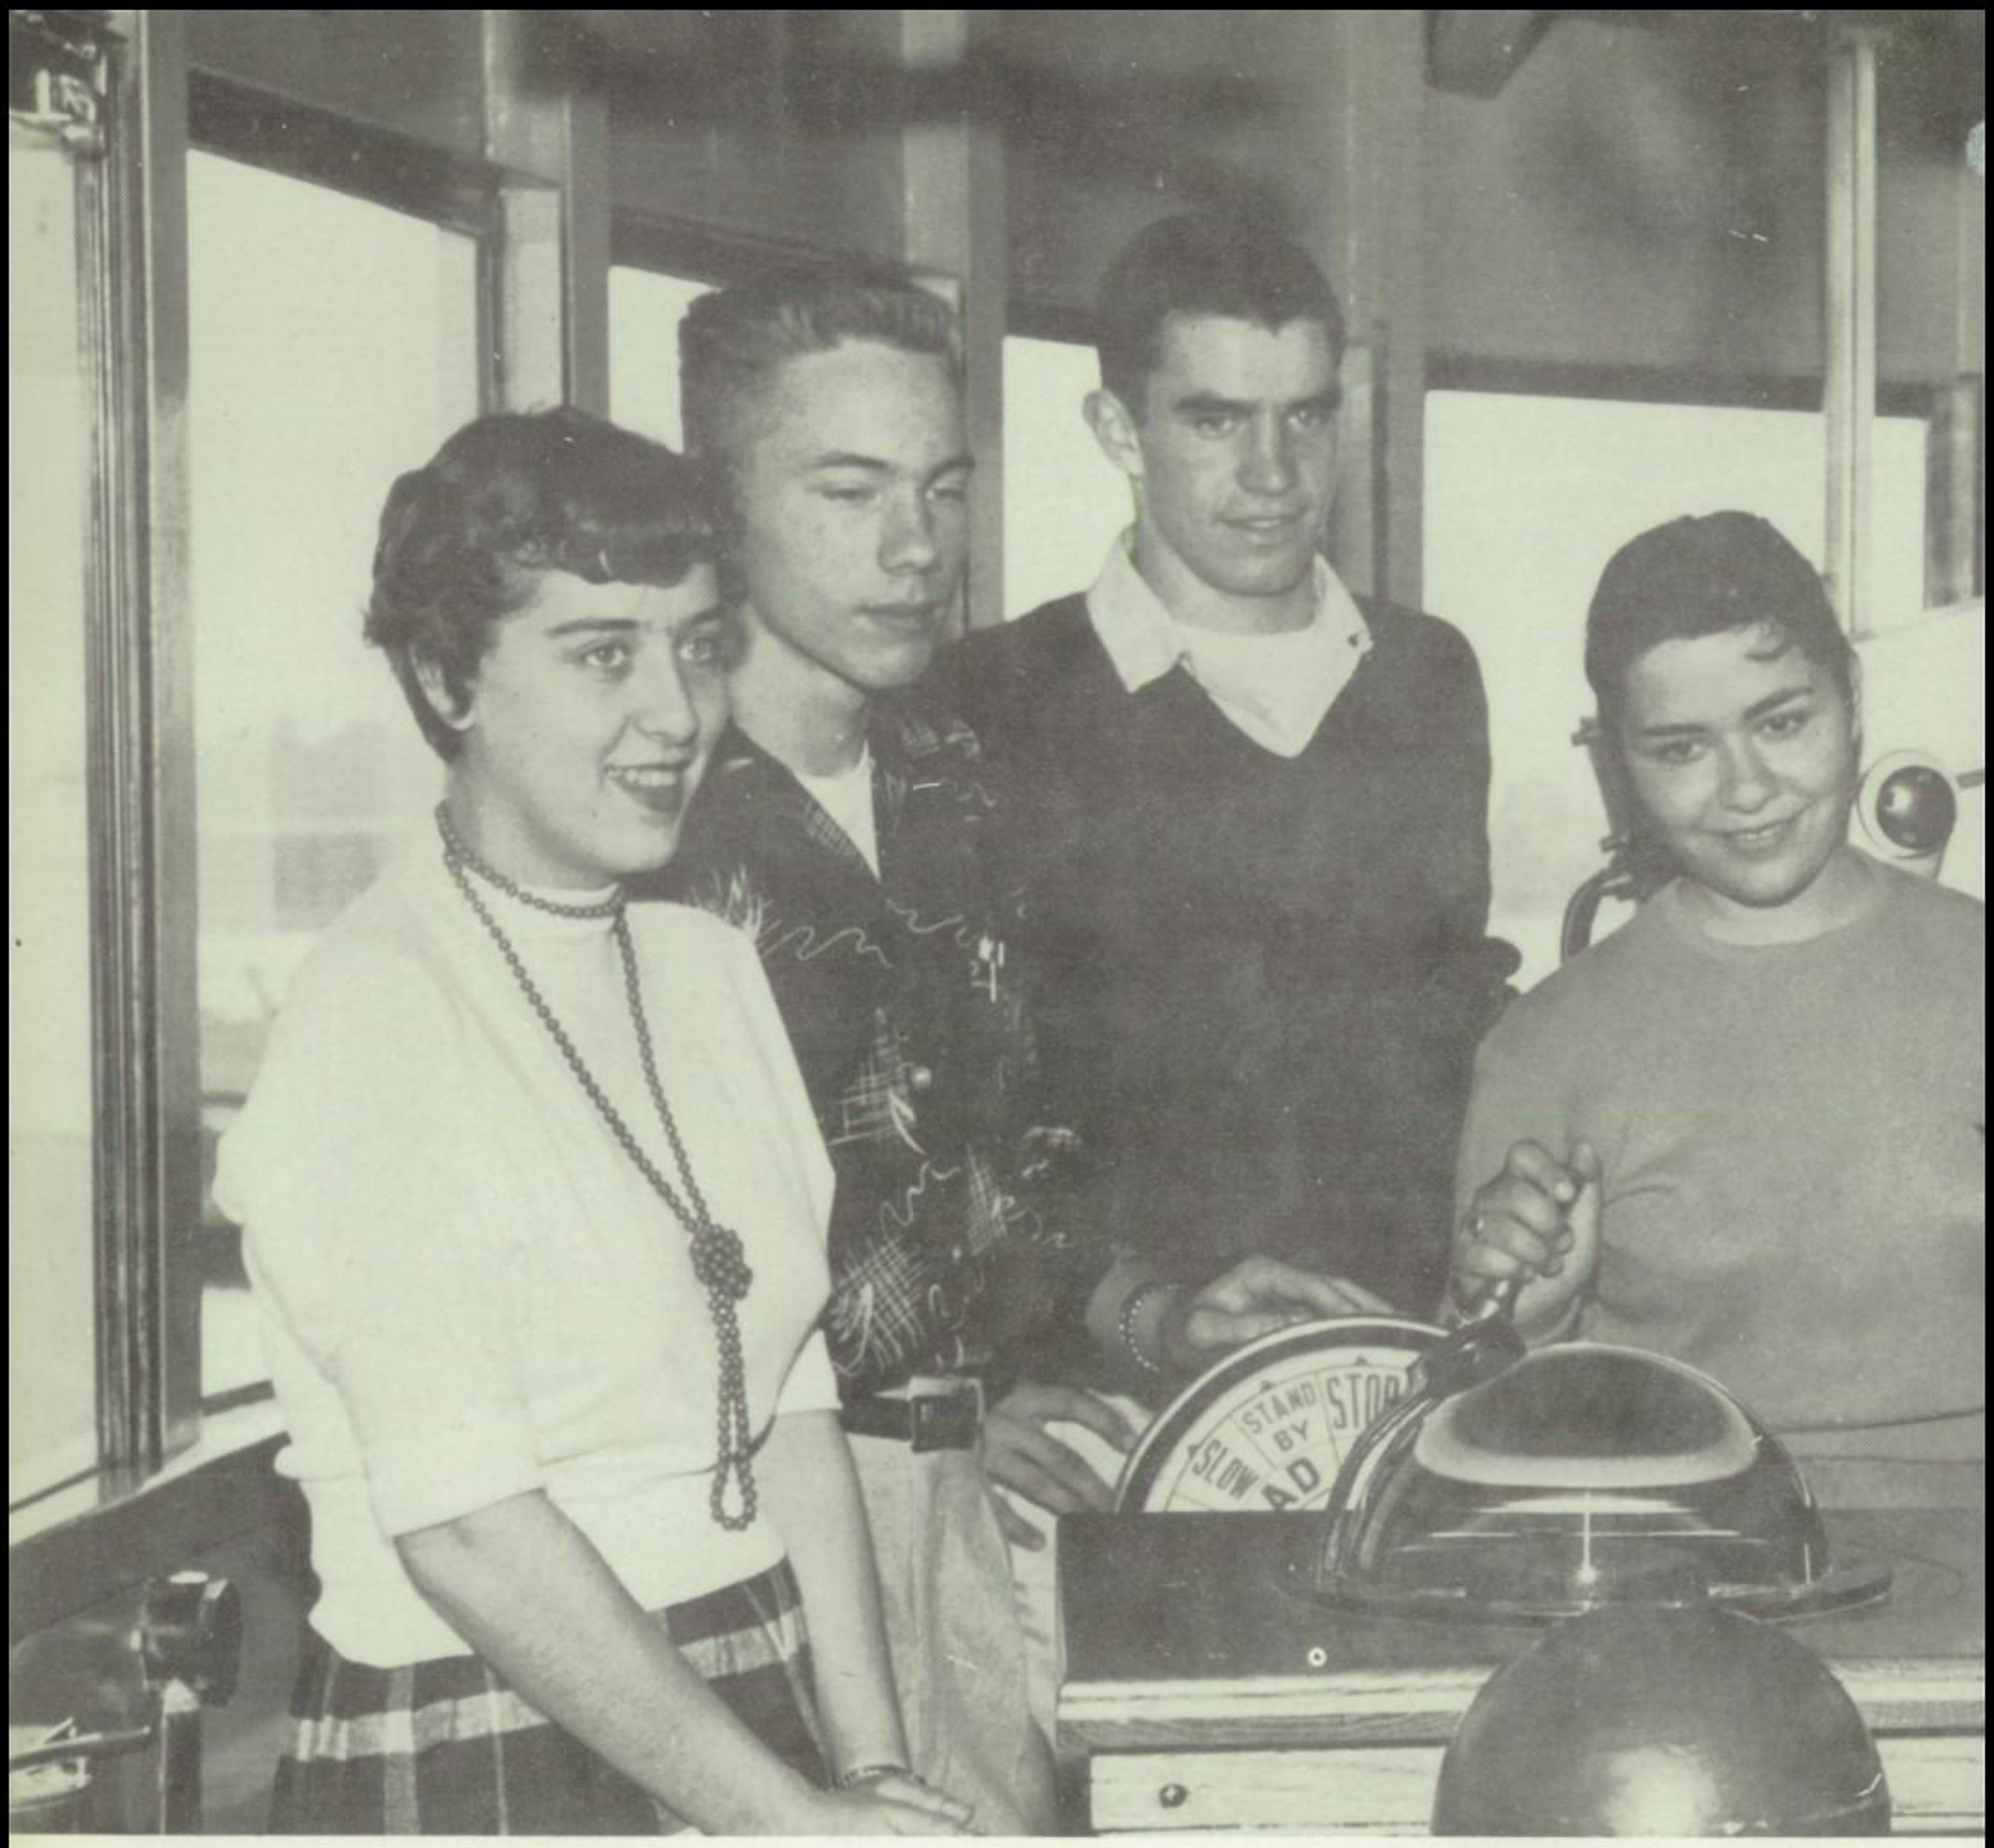
What Would We Do Without Them!

THE SHIP'S GALLEY is well managed by the women who prepare and serve food to personnel at Angell, Bunker, Central Junior High, and Senior High Schools.

Menus are well balanced, nutritious, and appetizing. To facilitate serving so many people, a new stainless steel steam counter was installed last fall.

Keeping the decks clear and clean is a full time job on the good ship M.H.S. Heading the group of men and women who swab the decks every day is Mr. Zuidema. His assistants are: Mr. Schuitema, Mr. Dunlap, Mr. Ullrick, Mrs. Pasques, Mrs. Kroes, Mrs. Bowman, and Mr. Houseman.



Maneuvers

NO SHIP can stay on its course without adequate handling of the wheel. **Maneuvers** are an integral part of the ship's operation. So it is with our school. The course has been chartered, and the personnel must follow it.

Activities play a vital part in our ship's course. They help direct our talents and abilities into right channels for character development. We learn to work and play together for a common purpose — to make M. H. S. a school of which we can be proud.

M. A. P. Project Success in Second Year

THE STUDENT COUNCIL tries to achieve the goal of promoting satisfactory relationship between the students and faculty.

Among the many projects they have done this year were distributing activity cards among the four member schools of the Inter-school Council; working with the other member schools on the project which will determine the school with the best sportsmanship and in turn be awarded the sportsmanship trophy. The main project of student council continues to be the M. A. P. (Muskegon's Action for Peace) campaign which began after Christmas. This is the campaign which was started in 1955 for the purpose of promoting better relationships between Europe and the United States. Each year the council presents an assembly to promote the interest of the student body to finance students from M. H. S. as ambassadors of good will from U.S.A. to a foreign country. The past two years two girls have spent the summer in Europe in Germany and the Netherlands, respectively.

An excursion to Lansing this year was enjoyed by about 120 students and the used book sale was successful.

Y-Teens Aid Family; Study Careers

EACH OF THE EIGHTY GIRLS of Y-Teens strives to make herself a better person spiritually, mentally, and physically; and tries to grow in friendship with girls of other races, creeds, and nationalities.

Their regular meetings were highlighted by guest speakers who spoke on careers of nursing, teaching, and hair styling. Fun included the ever popular slumber party, roller skating, and splash parties.

As a worthwhile activity the girls helped a needy family with food and clothing donated by the club members. They also sponsored the "Music and Mistletoe" dance during holiday time.

Delegates were sent to the Y-Teens conferences held at Battle Creek and Flint.

Advisors are Mrs. Richard Miller, Mrs. Louis Hodges, and Mrs. Harold Myers.

Charlotte Ambrose, Judy Boyden, and Darlene Clark look over supplies to be packed for a Thanksgiving basket. The Y-Teens are interested in helping others.

Hi-Y Hosts Conference Members

MUSKEGON HI-Y were hosts to one hundred or more Hi-Y and Tri Hi-Y members from Western Michigan at their fall conference and participated in taking over the State Legislature for three days at Lansing.

Hi-Y members were active in managing the concession stands during the football season as usual; contributed to the Y.M.C.A. World Service, and helped a needy family at Christmas thus fulfilling the purpose to create, maintain, and extend throughout the school and community high standards of Christian character.

Mr. Russcher advises the group.

Best Thespian Award Goes for Top Speech Work

NATIONAL THESPIANS is an honorary society comprised of students who have completed at least 100 hours of advanced speech work in dramatics, forensics, and radio. Top honor is the Best Thespian award presented to the student who has contributed most to the speech work in school. Members who have accomplished additional work beyond the 100 points are awarded stars and are called "three star" or "four star" Thespians.

Members are inducted every year in the spring. Advisors are Miss Faber and Mr. Poling.

Wendy Hiller and John Allen participate in the induction rites of National Thespians at their spring banquet.

Work Bee, Camp Out Hold Group Interest

THE PURPOSES OF Conservation Club are to develop the 239-acre school farm and to give the members an opportunity to enjoy the outdoors in constructive activities.

Many interesting movies on conservation and natural science are shown at the evening meetings. A fall work-bee, spring planting day, and a camp-out are the special projects; and as a means of maintaining the school farm, they sponsored an after-football dance, the Rival Reel.

The membership committee vote on students who have written applications stating their reasons for wanting to join the club, and membership is limited to fifty students.

Mr. Winthrop Trautman is the Club's advisor.

Helping Others Aim of Clubs

TO SERVE OTHERS and to promote world understanding is the purpose of the newly organized Junior Red Cross Council. This year the Junior Red Cross has as its main objective to promote better understanding in our community. Main project was to give a party for the aged at the County Convalescent Home.

MEMBERS OF the Library Club have a special service in mind, that of giving aid to students in the library, improving the library service, and acquiring training in library techniques. They keep the library bulletin boards decorated in keeping with special holidays and events.

To earn money the club sold ball point re-fills and had a donut sale.

Teen-age Book Club members are interested in better recreational reading and purchase books for their personal libraries. They hear book reviews at their meetings.

Yearbook Staff Serves School

AS A SERVICE to the school, Said & Done staff members work diligently all year to produce the school yearbook. The success of their efforts is evidenced by the pleasure and approval shown by the students when they receive the book. The staff trusts that this book will meet with the favorable acceptance of everybody, so they can look with satisfaction on a job well done.

Said & Done staff members seem to be very busy getting this book ready for you. They are: Gordon Buitendorp, Nancy Taylor, Sharon Goosen, Sandra Aley, and Charles Bursey, standing. Lois Hazekamp, Bernice Bont, Dolores Mackenzie, and Judy Scull are seated.

Keyhole Sponsors "Varieties"

THE STAFF of the 4-page bi-weekly newspaper, Campus Keyhole features photo-journalism in its content and makeup. The first semester staff was composed of only three journalism III students and the journalism I class who did a fine job. Projects of the staff were the publication of two special editions: the Muskegon-Muskegon Heights football classic and the senior graduation events.

"The Varieties of 1956" was sponsored by the staff as a financial venture which proved successful.

Mr. Harrison advises the group.

Susan Hilt, editor of "Keyhole," explains the layout to Mr. Harrison, advisor, and Judy Boyden.

Ida Dalrymple points out something in a bookkeeping workbook that makes Joanne Christianson, Sharon Parsons, and Delores Sherriff smile. All are officers of Future Accountants.

Girls Learn Business Skills

THE FUTURE ACCOUNTANTS of America club at M. H. S. was the first such group to be organized in the United States through the sponsorship of the American Society of Women Accountants in Muskegon.

To create an interest in and an understanding of the business world, especially accounting; to encourage each member to develop herself to a higher degree of leadership, and to participate in worthwhile community undertakings are the purposes of the group. To achieve these objectives the girls hear speakers at their meetings, visit business establishments, and get information from members of their sponsor club.

To finance their activities the group gave a dance and held a baked goods sale. For fun they enjoyed the annual ASWA banquet and banquet honoring seniors. Their advisor is Mrs. Mayrose.

Family Living, Homemaking Stressed

THROUGH FUTURE HOMEMAKERS of America the girls learn to live better lives today in order to make their lives and those of their families better tomorrow. They held discussions on family living, achieved certain homemaking degrees and participated in a state and national project. They held a formal induction of new members. To increase their treasury they sold cupcakes. As a community project they visited the County Convalescent Home carolling for the inmates and distributing gifts to them. Their advisor is Miss McIntyre. Membership numbers 25.

New members Marilyn Muckey, Donna Medema, Ruth Meade, and Judy Meisch are inducted into Future Homemakers.

Nurses Earn Two Scholarships

TO HELP MEMBERS of Future Nurses Club learn more about nursing and related fields of medicine, an educational film and a visit to a special part of the hospital were part of the year's activities.

Two scholarships are awarded each year to outstanding members. Funds for this project are raised by sponsoring a dance and other events.

The social highlight of the year is the tea given on alternate years by Hackley and Mercy Hospital staffs for Future Nurses. At this event the pins and scholarships are awarded.

Advisors are Mrs. Bloom and Mrs. Jesson.

Club is Informed on Teaching

THE MAIN OBJECTIVE of Future Teachers of America is to stimulate the students' interest in teaching as a career.

This is achieved through monthly meetings of speeches and movies which are both informative and entertaining; through panel discussions by the members, and by attending annual conferences held at Western Michigan Teachers' College.

Under the capable supervision of Miss Thompson, advisor, F. T. A. interests many students in the teaching profession.

Charlene Six, Nancy Belton, Judy Kibbey, and Shirley Knox, officers, converse on their way to a meeting of Future Teachers.

Vocal Groups Host Festival

A CAPPELLA III

A CAPPELLA III had one of its busiest years. In December they were hosts to the West Shore Christmas Vocal Music Festival, sang for local service clubs, and participated in the Senior and Junior High School Christmas assemblies.

Later in the year they presented their annual spring concert, participated in the District Choir Clinic at Whitehall, Choir Festival here at M. H. S., and State Choir Festival at Ann Arbor.

Selection by the choir director determines membership in this group which represents the highest vocal attainment.

A CAPPELLA II

MEMBERSHIP IN A CAPPELLA II is by selection of the director, and usually is restricted to junior and senior girls. This year's appearances included traditional Christmas caroling in the halls of the High School and Manual Buildings and certain programs in the spring.

A CAPPELLA I

MEMBERSHIP IN THIS mixed choir was open to all interested boys and girls of the Sophomore class this year. Choir I made an early fall appearance at the Sophomore Parents' Tea. They also did traditional Christmas caroling at Mercy Hospital during the holiday season as well as in the halls of M. H. S.

THE MUSKEGON MADRIGALIANS

FORMED OF 16 VOICES picked from A Cappella III, this group rehearses on its own time as often as possible, performing madrigals and other compositions for the annual Christmas assembly, Choir Parents' Program, Muskegon Womens' Club, District Ensemble Festival and the annual spring choir concert.

Band "Makes" Music Magazine

THIS YEAR'S MARCHING BAND, while faced with the loss of sixty-five members from the previous year's band, developed rapidly from the day of its first pre-season drill. Again, this year many elaborate halftime shows featuring blacklights were presented, and the results brought about a write-up on the band's endeavors in this field in the nation's most popular music magazine, "The School Musician." An important feature of the band's shows were its scripts in poetry and its highly original themes. This year, actual field drills were conducted mainly by Mr. Roys and Mr. Benedict, assistant directors, with Mr. Stewart in overall charge of shows.

Spring brought the usual round of parades and patriotic programs for this group.

Symphonic Band Is Organized

THIS YEAR, for the first time in its history, the Muskegon High School Band was broken into two units, one consisting of the total membership and called the Concert Band, the other a well balanced smaller group, called the Symphonic Band. The first appearance of the two groups was made in school assemblies on February 26th and in the twenty-first Annual Winter Concert, with each band sharing the program.

The usual competitive festival program of the band was carried out with district events held in Grand Haven and state final events in Ann Arbor. A radio broadcast over WKBZ was featured in February.

The Spring Concert featured light selections and marches. Proceeds from the concert will be used to finance the band's fall trip to the Smith-Walbridge Camp in Syracuse, Indiana.

One of the highlights of the year was the band's selection, along with the orchestra, as the recipient of the dedication of "First Chair of America." This means that the first ten pages of this national yearbook will be totally devoted to pictures of the Marching Band, Concert Band, and Concert Orchestra.

Group Gets Nod in National Book

THIS YEAR'S ORCHESTRA was considerably enlarged with newcomers from Miss Lentz's junior high school orchestra.

As is always true, the orchestra carried out a rigorous schedule of programs, opening with the Thanksgiving Assembly. Twelve Kiwanis pre-lecture concerts followed in rapid succession, along with Mid-Year Commencement obligations. Festival appearances took the orchestra to Grand Rapids and Ann Arbor. A Sunday afternoon church concert, a spring punch concert, and Occidental Hotel Ballroom appearances made the year a most active one. The orchestra, along with the band, will be looking forward to the important appearance of its pictures in "First Chair of America," which is this year being dedicated to our instrumental groups.

Pro-Musica Club

AGAIN THIS YEAR Pro-Musica, under the guidance of its officers, Dick Stiles, Geraldine Rumohr, Chuck Stark, and Nancy Belton, chosen from Band and Orchestra, has played an important role in the social activities of both band and orchestra. This group began its year's activities with the planning of the program for the Annual Band and Orchestra Dinner at Shurfine Hall. In January, the group sponsored a game night and swim party at the Y.M.C.A. As is always the custom, Pro-Musica raised the funds for the annual "Arion Awards," presented at Honor Assembly. In May, a county fair was presented in Central Campus Gym, with proceeds going to help the band make its week long camping project at Syracuse, Indiana.

Talent Gets Experience in Theater

THE MAJOR PRODUCTION of Masque Dramatic Society this year was "The Heiress," which scored a distinct success. Later, a one-act play, "Three on a Bench," was presented at an area play festival and at school.

The production of three one-act plays in the spring rounded out the year's work.

With these activities members get experience in all phases of play production which helps create a greater interest in the theater and acting. As a service to the school, Masque usually contributes something to the school stage and lighting equipment which has made our stage one of the best.

Miss Jenette Faber is the director.

Chris Chonis plays the part of cupid and helps to patch up a quarrel between Joyce Nelson and Paul DeHorn in the Masque play, "Three On a Bench."

Chris Chonis chose an effective background for reciting the Gettysburg Address to Diane DeMuro. Both are members of Speech Guild.

Speakers Give Community Service

THE PURPOSE OF SPEECH GUILD is to give those students interested in forensics a chance to develop as speakers. Each year members join the Speakers' Bureau as junior speakers for the United Red Feather and Red Cross campaigns as a community service.

Members also present the annual school Thanksgiving and Memorial Day programs.

For faithful service to the school and club for three years a senior is given a Speech Guild award at graduation.

Their advisors are Miss Eskilson and Mr. Kirn.

Club Boasts Choir, Orchestra

FOR A HIGH SCHOOL ORGANIZATION to have both a choir and an orchestra is something novel. Yet, that is the boast of the Latin Classical League whose purpose is to strengthen interest and appreciation in the civilization, language, and art of ancient Greece and Rome.

Each year a general topic is chosen for the programs. Currently the members chose "Famous Roman and Greek Men" and presented programs on Pliny, Pompey, Socrates, Caesar, and Nero.

This year the club had a formal initiation of officers at which time the choir and orchestra performed.

Miss Edith Merritt and Mrs. Jean Carlson advise the large group of 150 members.

Club Studies Spanish Culture

THE MOST INTERESTING EVENT of Spanish club members was to accompany their advisor to Kalamazoo College to see and study equipment in the new electronic laboratory there.

Other projects undertaken during the year were the presentation of a Christmas program, making tape recordings, and earning money through a donut sale.

Members familiarize themselves with Spanish literature, arts, customs, and naturally, the Spanish language.

Miss Helvie advises the group.

Spanish Club members, Marilyn Wysozan, Betty Anderson, Bill Dillard, Ron Holmes, and Bob Toppen, enjoy some recordings at one of their meetings.

Club Counts French Student as Member

BESIDES PRESENTING PROGRAMS of French games and songs, skits, slides, and movies of French life and culture, the two groups comprising the French Clubs have done many other things during the year.

Members carried on correspondence with French students, contributed to Care and carolled at the local hospitals during the Christmas season.

This year the French clubs have been fortunate in having the French exchange student, Jean Mandelbaum, add knowledge of his country and thus increase club interest in France and the French people.

Mrs. Tool sponsors the two groups of French Club.

Hi-C Sponsors Film Showing of "Seventeen"

HI-C CLUB fosters Christian fellowship in Senior High School through regular weekly meetings at which time speakers from local churches participate.

Projects sponsored this past year have included the showing of the locally produced film "Seventeen;" sending gifts and financial support to a Korean War orphan. For fun they enjoyed a sleigh ride.

Senate Stresses Culture, Community Service

SENATE FINE ARTS SOCIETY combines a study of the fine arts with community service. This year the girls heard a lecture on modern art and attended at least two of the civic plays, concerts, and films of outstanding quality. Community projects included assistance to the Goodwill Industries, completed eight Christmas baskets, etc., gave a Mother's Tea, and sponsored a spring style show for a local store.

To raise funds the group presented a dance, the Senator's Ball.

Mrs. Lundell advises the group.

Anna Thorwall, exchange student from Finland, tells how Christmas is celebrated in her country to members of Senate and Carmenta. Enjoying her story are: Marilyn Ferris, Peg Mixer, Diane DeMuro, Janice Collinge, June Howard, Jan Hanson, Mrs. Coutchie, and Mrs. Lundell, advisors.

Carmenta Sends Student to Europe

THE MOST OUTSTANDING SERVICE of Carmenta Literary Society each year is to sponsor the American Field Service drive to send one of our high school students for a summer to Europe to live with a foreign family and become better acquainted with them and thus promote friendly feelings for international understanding.

In addition, Carmenta girls give a Thanksgiving and Christmas basket to needy families. This year the club organized a service committee to study projects for aiding the community.

Literary study as well as worthwhile projects keep the 42 members busy. The annual "Cotton Ball" dance has been traditional for years.

Mrs. Coutchie advises the girls.

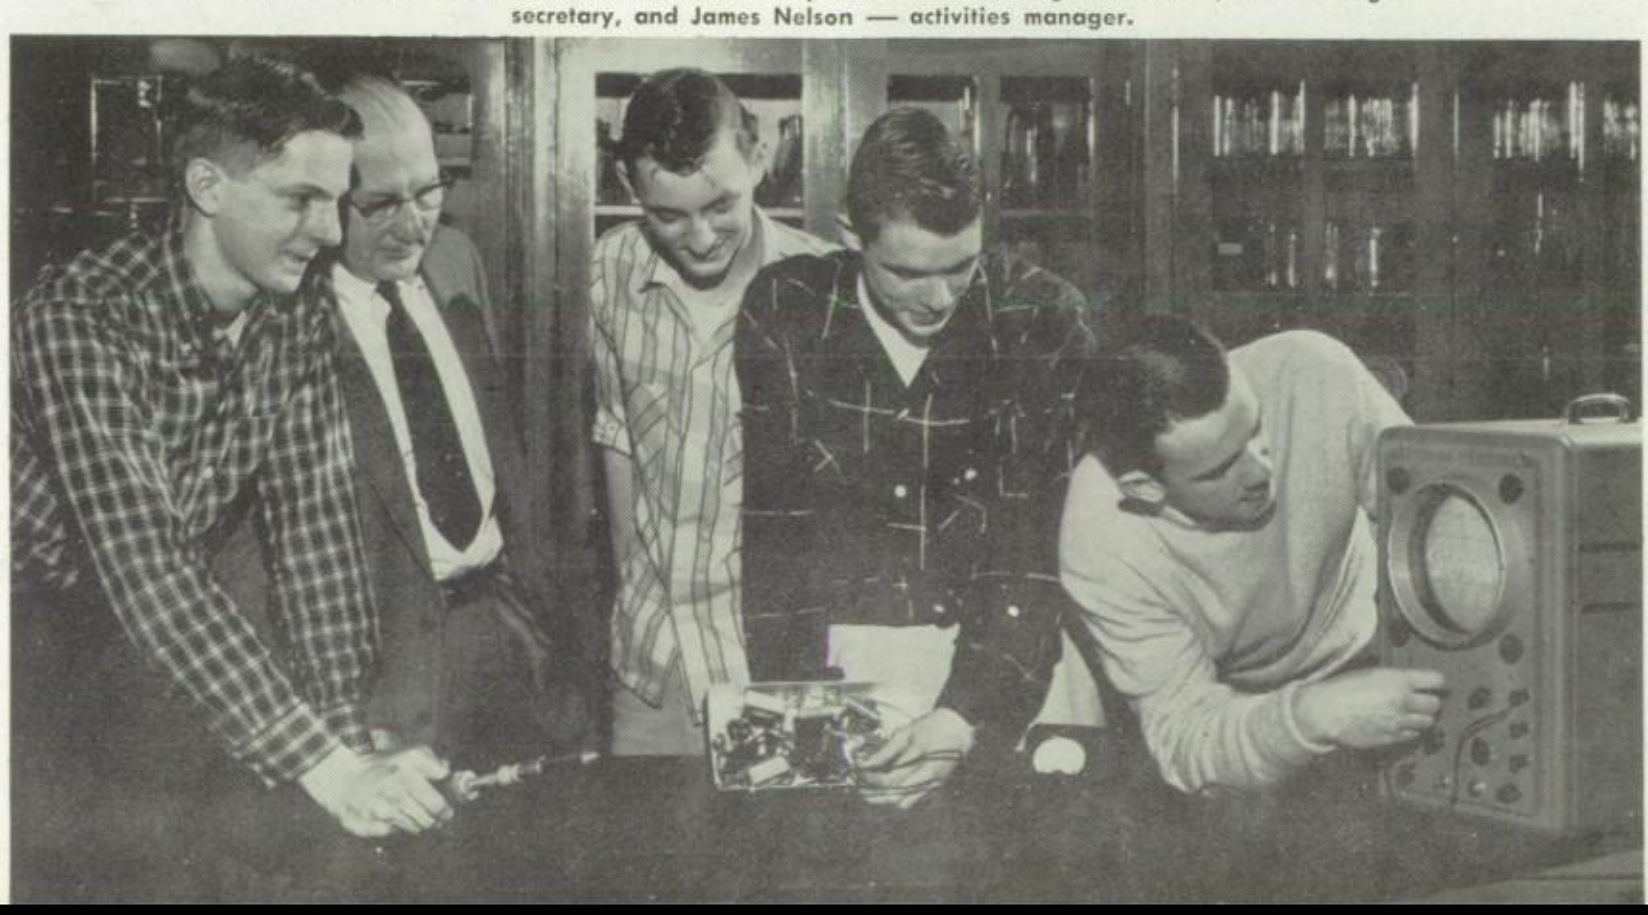
Hams Work to Establish Station

THE MOST RECENTLY organized group in M. H. S. is the Radio Club sponsored by Mr. Rodewald. The objectives of the boys are to encourage the growth and development of amateur radio and to establish an amateur radio station at M. H. S.

Qualifications of members include passing a test relative to radio ham operators and the Morse code. Boys who belong are proud of their work because it is recognized by the federal government.

Members of Radio Club learn how to detect trouble in an audio oscillator. They are Richard Cooper — president, Mr. Rodewald, Warren Carlson — parliamentarian, sergeant-of-arms, Ted Bensinger — secretary, and James Nelson — activities manager.



Bob Cargill shows a meter reading to Lynne Inderbitzin and Jim Bakker, members of Camera Club.

Club Has A-1 Laboratory

THE CAMERA CLUB boasts of one of the best amateur photography labs in the city. With twenty members studying and learning more about photography, informal and candid pictures are produced for use in the school newspaper and yearbook.

The major project undertaken by the group was taking pictures at the midyear and spring "Proms" of interested subjects. This helped to furnish the needed funds to carry on their work.

Mr. William Harrison is the advisor.

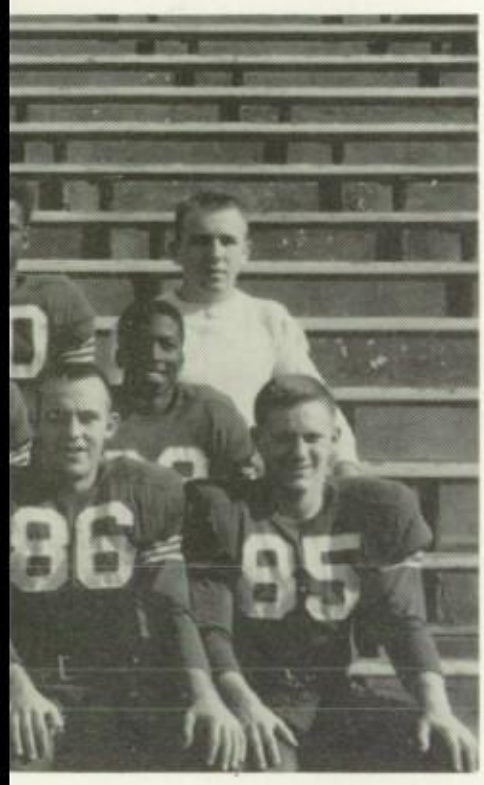
THE GRID TEAM brought to M. H. S. a season of which all of us are proud. Amidst the sounds of school yells and gaiety, the rhythmic beat of our band and the crisp air found only on game nights, our Men of Red marched to a season of six wins and three losses.

The regular practice beginning in September found coach H. E. Potter with eleven returning lettermen. Although he lacked a pair of tackles and a good take-charge-of-all quarterback, a week of drills, scrimmages, and football tactics produced a team of boys with determination, capability, and eagerness to win. Yes, from the beginning our squad was of the best grid material.

The Muskegon Big Reds started the season with a smashing victory over LANSING SEXTON at Sexton's Memorial Stadium. During the first half the Red Men's attack consisted of perfectly timed plays which stumped Sexton completely and gave Muskegon a 27-0 lead at halftime. The fine running attacks of Russell Pickel, Roger Wade, and Tommy Thompson gave us a decided advantage in our ground yardage gain.

The kickoff starting the third period was taken by Roger Wade on the Muskegon 20 yard line. Handing off to Thompson, Thompson ran to Sexton's 33. Three plays made a first down on the 10. Then Thompson bulled his way to Muskegon's last T.D. A second half revival of Sexton managed to squeeze in one T.D., but Muskegon controlled the ball for most of the game. The final score resulted in a fine 34-7 victory for our Big Reds.



Our Red Men suffered their first defeat of the season by the crushing power of FLINT CENTRAL. Muskegon was able to hold the lead by a T.D. scored in the first quarter, but the razzle dazzle tactics of Central proved mystifying to the Red Men. As a result, the opposition was able to penetrate deep into our territory. A 45-yard run by Tom Thompson and a 5-yard run by Roger Wade cut the score but wasn't enough to stop Central. Our ends, Frank Glafcke and Bill Randall, forced Central to stay inside, but even this didn't help the final score. The game ended in a 18-13 win for Flint Central.

Muskegon got back on its feet with a win, the second of the season, over GRAND RAPIDS UNION. The first half of the game was pretty much neck and neck with the Big Reds and G. R. Union tied at 13 all. We had only 54 yards rushing in the first half. G. R. Union, an exceedingly light team, seemed to slip through our line, but the fine passing of Don Stewart and running of

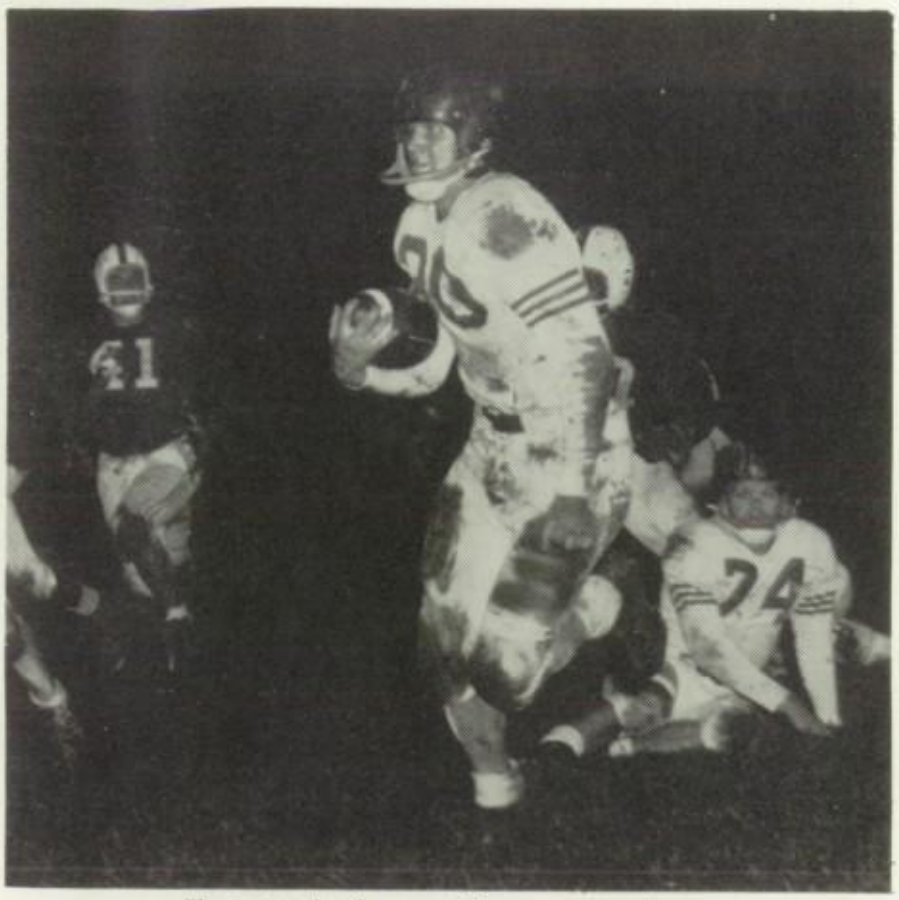
Coach H. E. Potter talks over the coming season with ten of the eleven returning lettermen. Kneeling: Thompson, Wade, Pickel. Back row: Timmer, Cooke, Grimm, Rothoff, Keur, Glafcke, W. Randall.



Thompson leads opposition on merry chase.

Russell Pickel, Gene Workman, and Tom Thompson enabled the Big Reds to hog the ball in the third period and gobble up 132 yards rushing. The fourth period was over point-wise for G.R. as their final revival didn't prove to be enough; our Big Reds won a 25-19 victory.

Our annual homecoming brought to M. H. S. a fine win over BENTON HARBOR and broke the jinx of four wins which Benton Harbor previously held. The first half was governed predominately by Benton Harbor with Muskegon having only a 68-yard ground gain. The halftime score was 6-0 Benton Harbor.

After a fine M. H. S. band program and a healthy talk by Coach Potter, our men of determination raised the score with T.D.s scored on a 72-yard run by Russell Pickel and a 13-yard pass play from Don Stewart to Tom Thompson. The conversion was booted by Russell Pickel, and the final homecoming score was a thrilling 13-6 win for our Big Reds.

A powerful and agile FLINT NORTHERN team brought to M. H. S. its second defeat of the year. Due to fast breaks, dazzling long runs, and good blocking, Flint Northern was able to overpower Muskegon. The Big Reds advanced to the Flint goal line at two different occasions, but they were unable to score. Some fine

plays by Russ Pickel, Dick Locke, Don Springstead, and Ken Witham helped to set up our offense, but it wasn't our night and we lost 26-0 to Flint Northern.

In our next game the Big Reds were back into fighting shape and they won a decided victory from SAGINAW. In the first half the ball was in the good keeping of M. H. S. ball handlers and three touchdowns by Don Stewart and one by Russell Pickel lit the scoreboard with a 27-7 lead for Muskegon.

The second half was highlighted by spectacular reserve team playing. The Saginaw team scored their second and last T.D. in the fourth quarter but were unable to score again because the spirit lacked. A final pass from Bill Cross to Captain Frank Glafcke and some booting by Tom Thompson resulted in a proud 33-13 victory for our Big Reds.

A wild scoring battle resulted in an M. H. S. victory over HAMTRAMCK. The Big Reds, although faced with a heavy Hamtramck line, pressed on; and through the scoring of T.D.s by Don Stewart, Tom Thompson, and Russell Pickel, we led at halftime by 19-12.

A thrilling third quarter produced touchdowns from Tom Thompson, Don Stewart, and Russell Pickel. The expert ball handling and running of our men plus extra

Thompson scores on long run.

point scoring by Bill Randall and Bill Cross gave to Muskegon a 39-18 win over Hamtramck.

The third annual game between our Big Reds and CATHOLIC CENTRAL saw C. C. bow to our Men of Red. Without a single play from scrimmage, T.D.s by Russ Pickel and Jack Timmer and the extra point by Tom Thompson placed the Big Reds on the top of a 13-0 score at the end of the first quarter.

The second half was much slower, but a 65-yard touchdown from Don Stewart's pass to Russell Pickel took the luck out of the game. The Crusaders were defeated and our Big Reds held a spectacular 19-0 win.

The Muskegon Big Reds went to their third and last defeat of the season when they bowed out to the MUSKEGON HEIGHTS TIGERS. Although our Big Reds had many good ground and air attacks by Don Stewart, Russ Pickel, Tom Thompson, and Roger Wade, we were unable to combat both the Tigers and the cold weather. As a result we had eight fumbles, all of which enabled Heights to set up a decided advantage score-wise. The Muskegon T.D. was made by Russell Pickel; and the conversion was booted by Bill Cross. The final score resulted in a 20-7 win for the Tigers.

Little Reds Bring Home Victorious Season

UNDER THE ABLE DIRECTION of Lloyd Hartman the Muskegon Little Reds marched to a season of 5 wins and 4 losses. A few of the defeated teams were the reserves of Benton Harbor, Battle Creek, and Reeths-Puffer.

This squad of boys showed much determination and self-assurance. They were able to make every game a thriller.

Dan Miller, Wayne Essebaggers, and Roger Locke were a few of the outstanding players who helped to make the season satisfactory.

Because of good training and experience, these boys will go on to play with the Big Reds next season and help produce a winning team.

Muskegon's Big Reds Have Fair Season . . .

"V" is for Victory.

MUSKEGON HIGH, under the able direction of Coach Lloyd Hartman, came through with a fair season of four wins and eleven losses. The Big Reds also won their first game in the Regionals.

To start the cage season, Muskegon traveled to CATHOLIC CENTRAL. Muskegon collected a 12-point edge in the first period. At the end of the second period, the Big Reds led 33-26 and increased it to 50-41. Muskegon had the last word winning 67-52.

Muskegon then visited TRAVERSE CITY where the Trojans took the lead with just seconds left in the first half. Although Traverse City dominated the game, Jim Black and Dave Cooke came through to score. But still the Trojans forged ahead to win 63-49.

Muskegon met the HEIGHTS TIGERS who started the scoring and managed to draw away from the Muskegon five. The Big Reds closed the gap to 22-16, but the Tigers revived for a 33-16 bulge at the half. The Tigers stretched their lead to win 76-43.

The following night BATTLE CREEK invaded Muskegon. The lead changed hands six times in the first half before the Bearcats went ahead to stay. Rebounds by Dave Cooke and free throws by Jack Timmer pared the bulge to 49-40, but Battle Creek went ahead to win 61-46.

Muskegon's cagers met the GRAND HAVEN BUCS in a game whose lead changed six times in the first period. The Big Reds were able to keep within shooting distance, but trailed Grand Haven, who controlled the ball in the fourth period and came out on top 54-40.

Two rapid-fire field goals by Wayne Hoover provided Muskegon with a 51-47 victory in an overtime period against MUSKEGON CATHOLIC CENTRAL at Central Campus. Catholic had control of the game for most of the first half but slipped almost out of contention in the third frame.

BENTON HARBOR led the visitors, Muskegon's Big Reds, all the way. Don Stewart was high point man for the Big Reds and

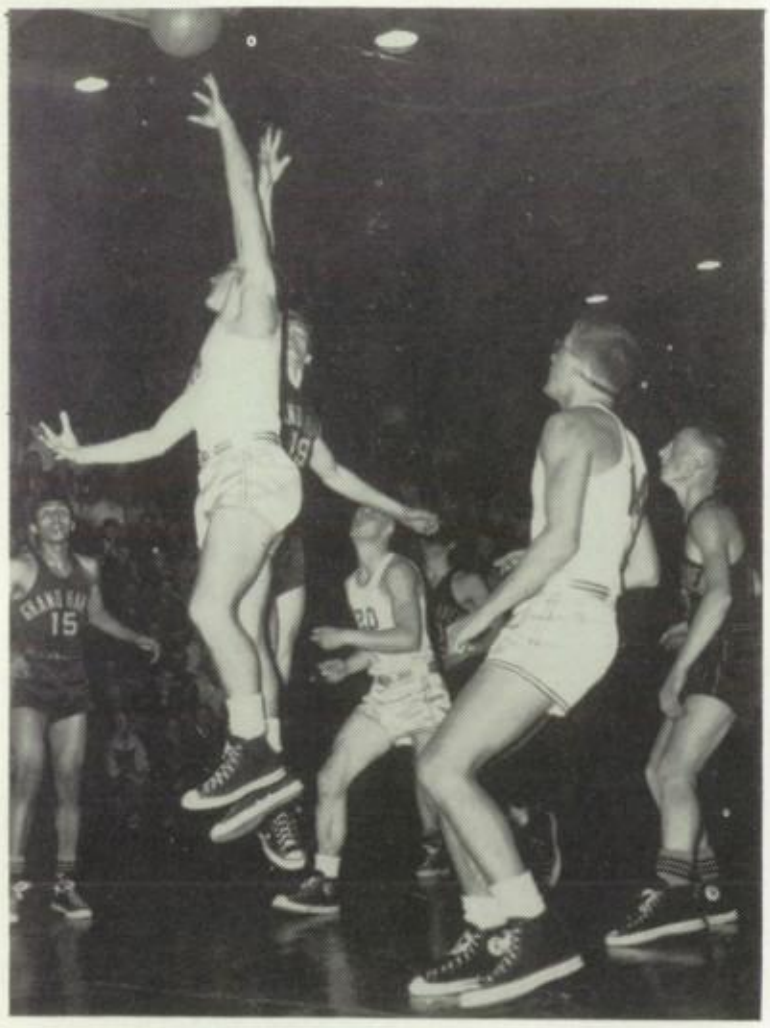
Jack Timmer and Wayne Hoover were next. But the Muskegon quint was powerless, for the Tigers pulled ahead to win 83-47.

Muskegon tried hard against the HEIGHTS TIGERS, and at one time led 6-2. Wayne Hoover notched eight points for Muskegon while Don Stewart led both teams in scoring. The Tigers countered with a barrage from all angles to take the upper hand 81-45.

The Big Reds met the GRAND HAVEN BUCS and gained revenge for an earlier defeat 53-42. Muskegon held a narrow margin most of the way. Then in the fourth period Muskegon drove to a decisive 53-42 victory. Stewart, Cooke, and Heimann helped in the scoring.

The Muskegon team, paced by Don Stewart and Bob Randall, gave Muskegon High its fourth victory of the season, 52-44, over HOLLAND. A feature was the guarding of Hoover and Wade who held the leading scorer of the Holland team to two free throws.



Timmer uses hook to raise Big Red's score.

The GRAND RAPIDS CENTRAL RAMS connected on 35 of 48 free throws to defeat Muskegon High 67-64. Timely hook shots by Paul Heimann and baskets by Bob Randall narrowed Central's lead before Dave Cooke went on a scoring spree to give Muskegon a 60-59 lead in the fourth period.

The BENTON HARBOR Tigers invaded Central Campus. Muskegon used its tall boys effectively but could not get into contention as the Tigers led 26-10 at the end of the first period and 48-22 at the half. The Tigers gained head way and won 68-45.

The Muskegon quintet held a 10-9 lead over BATTLE CREEK in the first period, but fell behind 21-20 at the halftime. The Battle Creek team collected 15 points in the third quarter and went ahead to win 52-44. Stewart, Heimann, and Randall were high scorers for Muskegon.

TRAVERSE CITY visited Muskegon who led for a few seconds when Don Stewart hit a jump shot soon after the game started. By halftime the Trojans led 30-21. The score was 45-29 when

Show Strength and Spirit in Tournament

the fourth period started, and Traverse City increased its lead to take the contest 70-50.

HOLLAND came to Muskegon for the last regularly scheduled game. When Larry Locke hit a corner shot the score favored the visitors 44-43. Seventeen seconds were left when a foul was called against Muskegon. Holland sank both throws. With one second left, another foul was called on Muskegon and Holland sank both to win 48-43.

Muskegon moved into the REGIONALS to face GRAND RAPIDS UNION. Twelve Muskegon players counted in the scoring. Soon after the third period started, the Big Reds turned in 19 points. This ended Union's chances and Muskegon went ahead to win 71-43.

The win of Grand Rapids Union gave Muskegon the right to play HEIGHTS in the Regionals. The Tigers built up their lead to 26-9 and went on to finish the third quarter with a 36-20 margin. Heights remained on top to overcome Muskegon 48-36.

Little Reds Take Nine Out of Fifteen

COACH ED PETRONGELLI'S Little Reds won nine against six losses. To start the season, the Little Reds visited Catholic Central where the Crusaders registered a 44-43 win. In the game with Traverse City, Muskegon won 51-37. The following week, however, the Little Tigers won the hard-fought 47-40 game. But the Little Reds bounced back to take Battle Creek 39-32.

Muskegon's Little Reds won over the Grand Haven Bucs 33-31 and went on to take the Crusaders in overtime 45-43. However, Benton Harbor took over and won their game 58-44.

Muskegon's five pulled away from the Heights in the last two minutes to win 52-48. Muskegon then defeated the Little Bucs 57-36. Holland was edged by Muskegon 48-46. But in the next game, the Central Reserves downed Muskegon 54-48.

Battle Creek won 50-48, but the next week the Little Reds robbed the Little Trojans in a hard-fought battle 45-42. In their final game Muskegon won over Holland 53-52.

Locke-Lake combination grabs rebound for Little Reds.

FRONT ROW: Hozer — Manager, Slattery, Kelly, Hoover, Sabin, Locke, Hellman, Ruddick, Kloosterman, Breedon, Tomasiewiecz, Knutson, Ross, Kempker, Lack — Manager. **BACK ROW:** Doctor, W. Randall, D. Big Reds Set Up Potential for '57 Season

COACH H. E. POTTER will have the largest number of lettermen back in several years. There are eleven lettermen from last year's squad which won seven and lost five. Richard Randall was named most valuable player. The squad has potential power, for several of the tenth graders won letters. Watch this squad.

Determination seen in the eyes of Glafcke.

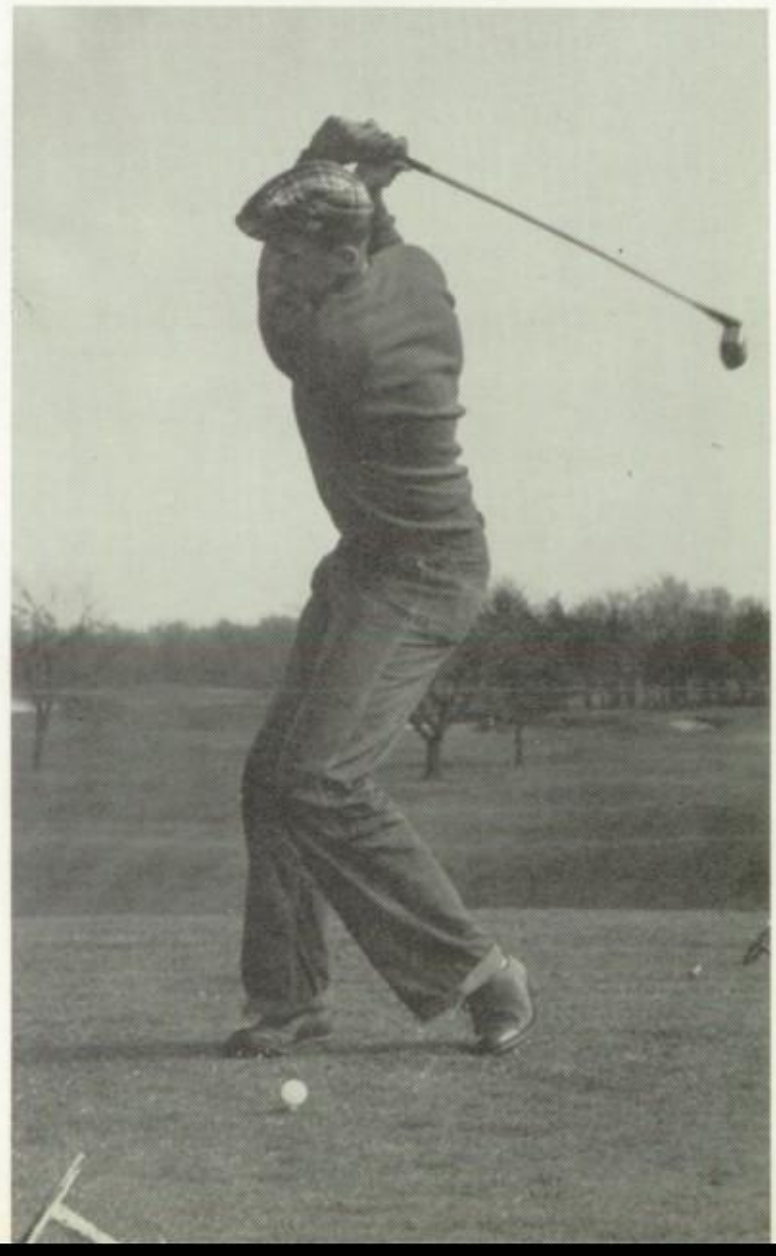
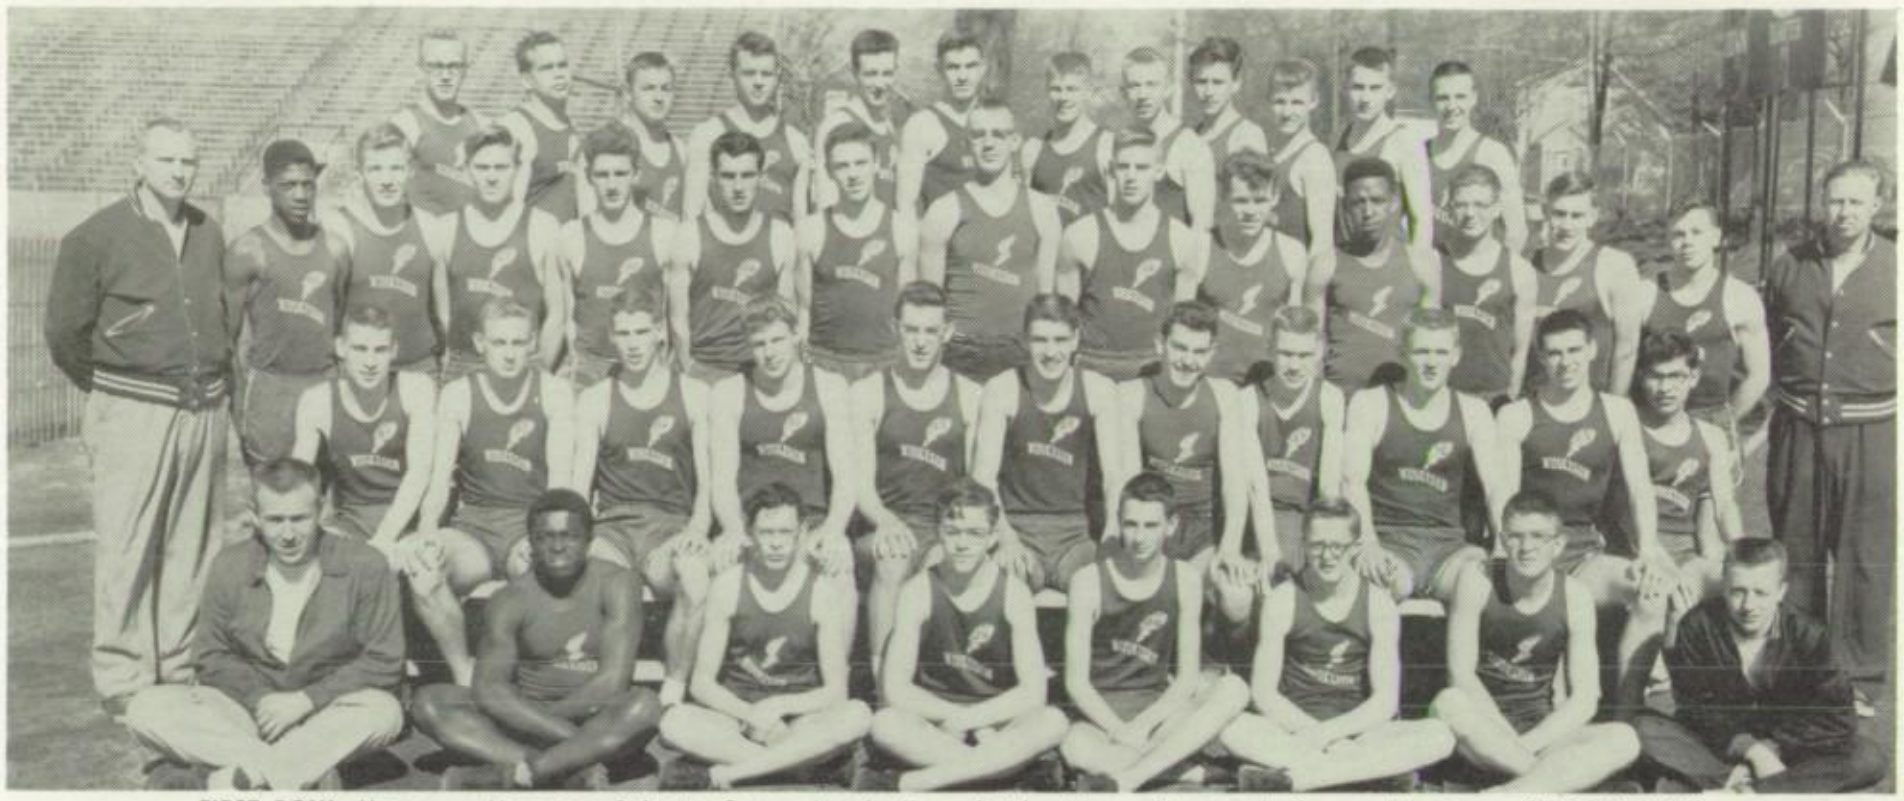
Golfers Drive to Mediocre Season

THE MUSKEGON GOLF CLUB held their own by winning five and losing six dual matches. They placed seventh in the regionals and then forged ahead to place first in the Southwest Conference. The golfers seem to have some good prospects for this coming year even though Leigh Strong, who was the number one golfer on the squad, graduated. Roger Wade will possibly take over the top spot on the '57 squad while the others will add to the experience of the team. So far this season the linksmen have a score of one and one.

Strong winds up for long drive.





FIRST ROW: Hesse — Manager, Roberts, Carey, Manfredine, Smith, Mann, Young, Ardis — Manager. **SECOND ROW:** Warner, Woodring, Rose, Homfeld, Wickland, Warren, Filius, Wickland, Wendell, Cota, Thompson, Vulgaris, Ramierz. **THIRD ROW:** Hartman — Asst. Coach, Hawkins, Rothoff, Boyink, Scott, Smack, VanArsdale, Waalkes, Lucas, Anderson, Cotton, Bowen, Timmer, Pickel, McShannock — Coach. **FOURTH ROW:** Gardenour, Schmidt, Walker, Derks, Springstead, Cooke, Workman, King, Warner, Stovern, Warren, Cahill.

Trackmen Run to Set New Records

MUSKEGON'S RECORD SETTING track men are at it again. During the past season they won five dual meets, bringing their total to five unbeaten years. The Red Men ran in a number of tournaments, placing ninth in the state contest, sixth in the Saginaw relays, third in the regional track meet, first in the Southwest Conference, and unofficially won the John Bos relays. They were the Greater Muskegon Champs in 1955 and '56. They also qualified six men for the Kalamazoo Champion of Champions meet.

As for records, a new city and school record was set for the Medley Relay by Jack Rose, Ron Filius, Ron Williams, and Ken Woodring in 2:31.5. A new city and school record was set in the 888 yard relay by Ken Woodring, Jack Rose, Ron Filius, Russ Pickel in 1:33.3. Ron Filius set a new city and school pole vault record of twelve feet. Named most valuable was Ron Filius.

On Dress Parade

THE MARCHING BAND helped to create a good school spirit at the football games. With their intricate and colorful formations using black lighting, they added spark and dash to the halftime maneuvers.

FRONT ROW: Phyllis Petersen, Linda Roberts, Judy Boyden — President, Sharon Boyle, Eunice House, Nancy Bergman, Susan Denton, Necia Shaw, Susan Rose, Sandra Haralson, Carol Bollenbacher. **SECOND ROW:** Miss Kehias — Advisor, Shirlee Morrison, Margaret Petersen, Virginia Bennett, Diane Hall, Sharon Bird, Barbara Fielstra, Karen Dennis, Karen Long, Jonia Thelin, Carol Black, Peg Nixon. **THIRD ROW:** Letha Rogers, Carol Fischer, Carol LeTarte, Connie Caden, Mary Moore, Beverly Plont, Linda Cutler, Linda Andersen, Joyce Dobb, Nancy Westgate, Patsy Rowe, Rosemary Carlson.

G. A. A. Promotes Health and Recreation

THE GIRLS IN G.A.A. belong to this organization for a common purpose. It is to create an interest in athletics, to teach good sportsmanship, and provide them with the companionship of other Senior High students. The girls play a variety of games through two semesters which broadens their interests. This year field hockey, basketball, volleyball, bowling, life saving, and baseball were the sports which added thrills to the year.

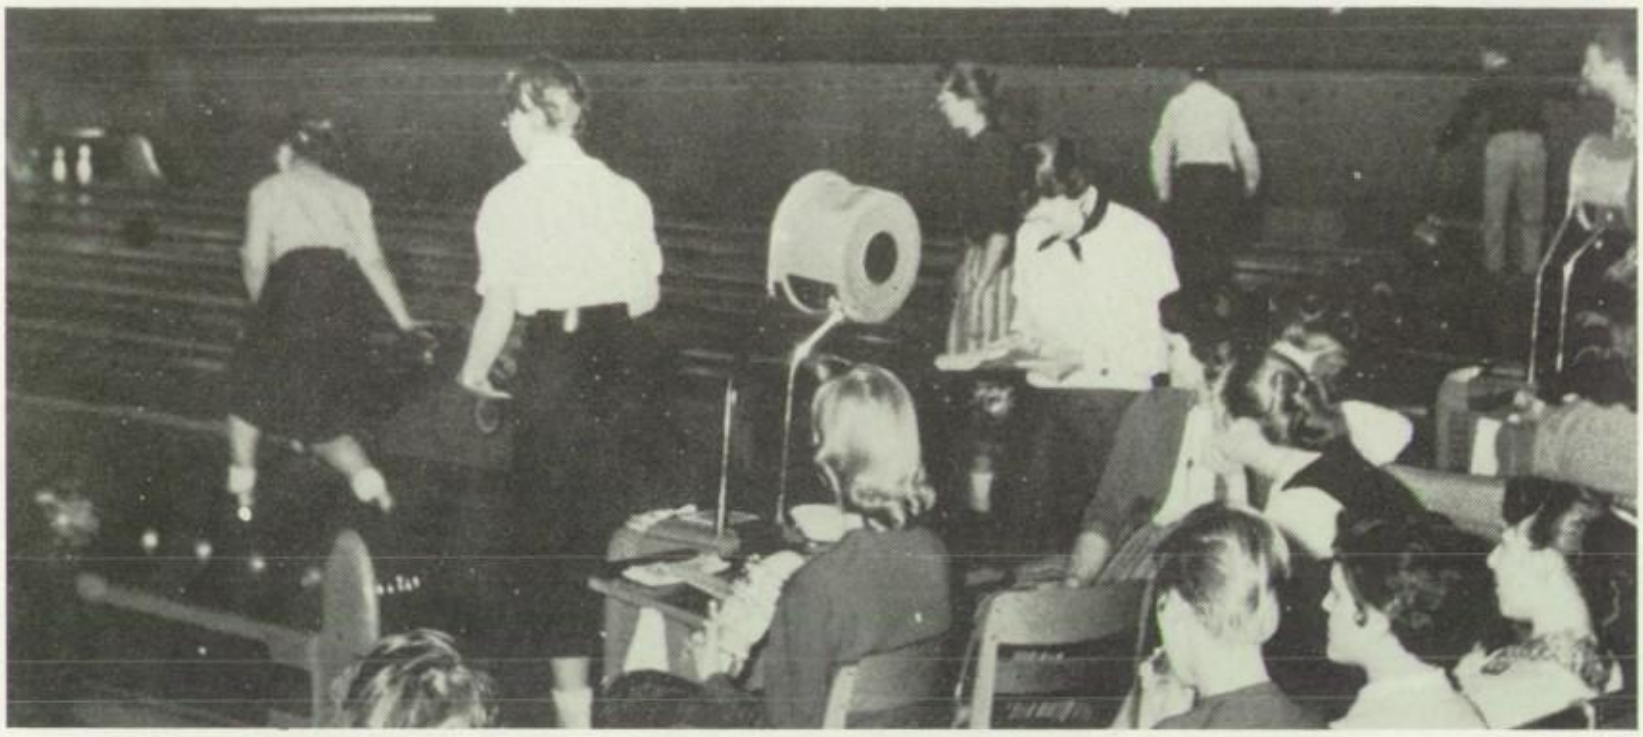
THESE GIRLS, Judy Bollenbacher and Barbara Fielstra, worked hard for three years to receive top honors from G.A.A. It is a pin that is given only when 1500 points are earned by the athletes. In the first year a G.A.A. letter is given out, and in the second, a Muskegon letter is presented.

FRONT ROW: Mary Moore, Judy Boyden, Margaret Nixon, Sue Rose, Jonia Thelin. SECOND ROW: Nancy Bergman, Barbara Fielstra, Sue Denton, Carol Fischer, Margaret Petersen, Letha Rogers.

Field Hockey and Baseball Are Favorites

EACH YEAR as the beginning sport of the fall term, the M. H. S. girls go all out for this invigorating game. The girls played rough games for thrilling results. Protective equipment is provided for them, along with the playing material. Although all the teams could not enjoy every win of the season, they all felt the time spent on the football field was worthwhile.

The girls are practicing up for the last sport of the school season, baseball. Eunice House is pitching to the batter, Joyce Dobb. In the background, waiting their turn, are Sharon Bird, Sharon Boyle, Linda Cutler, Carol Bollenbacher, and Shirlee Morrison.



THE MICHIGAN BOWLING CENTER is used on Tuesdays and Thursdays by the Muskegon girls. Bowling attracted more members this year than ever before. Every bowling day the girls trot down to the alleys for a few hours of fun. This fast rising sport helps keep the figure trim and limber.

Girls Win Bowling Trophies

DURING PREVIOUS YEARS, it has been the custom to have the girls enter the National Telegraphic Tournament. Those placing high scores are very likely to come up with a trophy. In the years past they have brought in many nice new show pieces. These champs placed 34th in the nation, which makes Muskegon very proud.

FIRST ROW: Shirley Knox, Joann Start, Judy Bollenbacher, Clara McClain, Millie Strickler. **SECOND ROW** Judy Goodling, Evelyn Strickler, Barb Wiseman, Nancy Hartwell, and Linda Pletcher.

The winning volleyball team this year consisted of Margaret Petersen, Sue Rose, Shirlee Morrison, Necia Shaw, Jonia Thelin, Margaret Nixon, Wallie Estrup, and Karen Long. The team won every game played during the year.

THE GIRLS in this year's volleyball clashes after school had many an exciting game. Teams were composed of about ten girls to a section. On nights when games were played in the Senior High gym, excitement and enthusiasm prevailed. Rules and regulations were followed in each game with the girls taking turns officiating. With nets up and balls flying through the air, everyone was having the fun which they all created. The tournament produced a winning team that had not lost a game either in the preliminaries or in the final play-off.

Volley and Basket Ball Vie for Interest

BASKETBALL HAD a very good turnout this year, netting about seven teams. The M. H. S. girls were bound and determined to learn more about the sport, which they did. They made each of the games rip-roaring to play and exciting to watch. Each of the girls played basketball with great sportsmanship. Sandra Frampton managed the program under the direction of Miss Kehias.

Eunice House is waiting for a chance at the basketball, while Marcia Warren and Delores Chamberlain are in the ring with a jump ball.

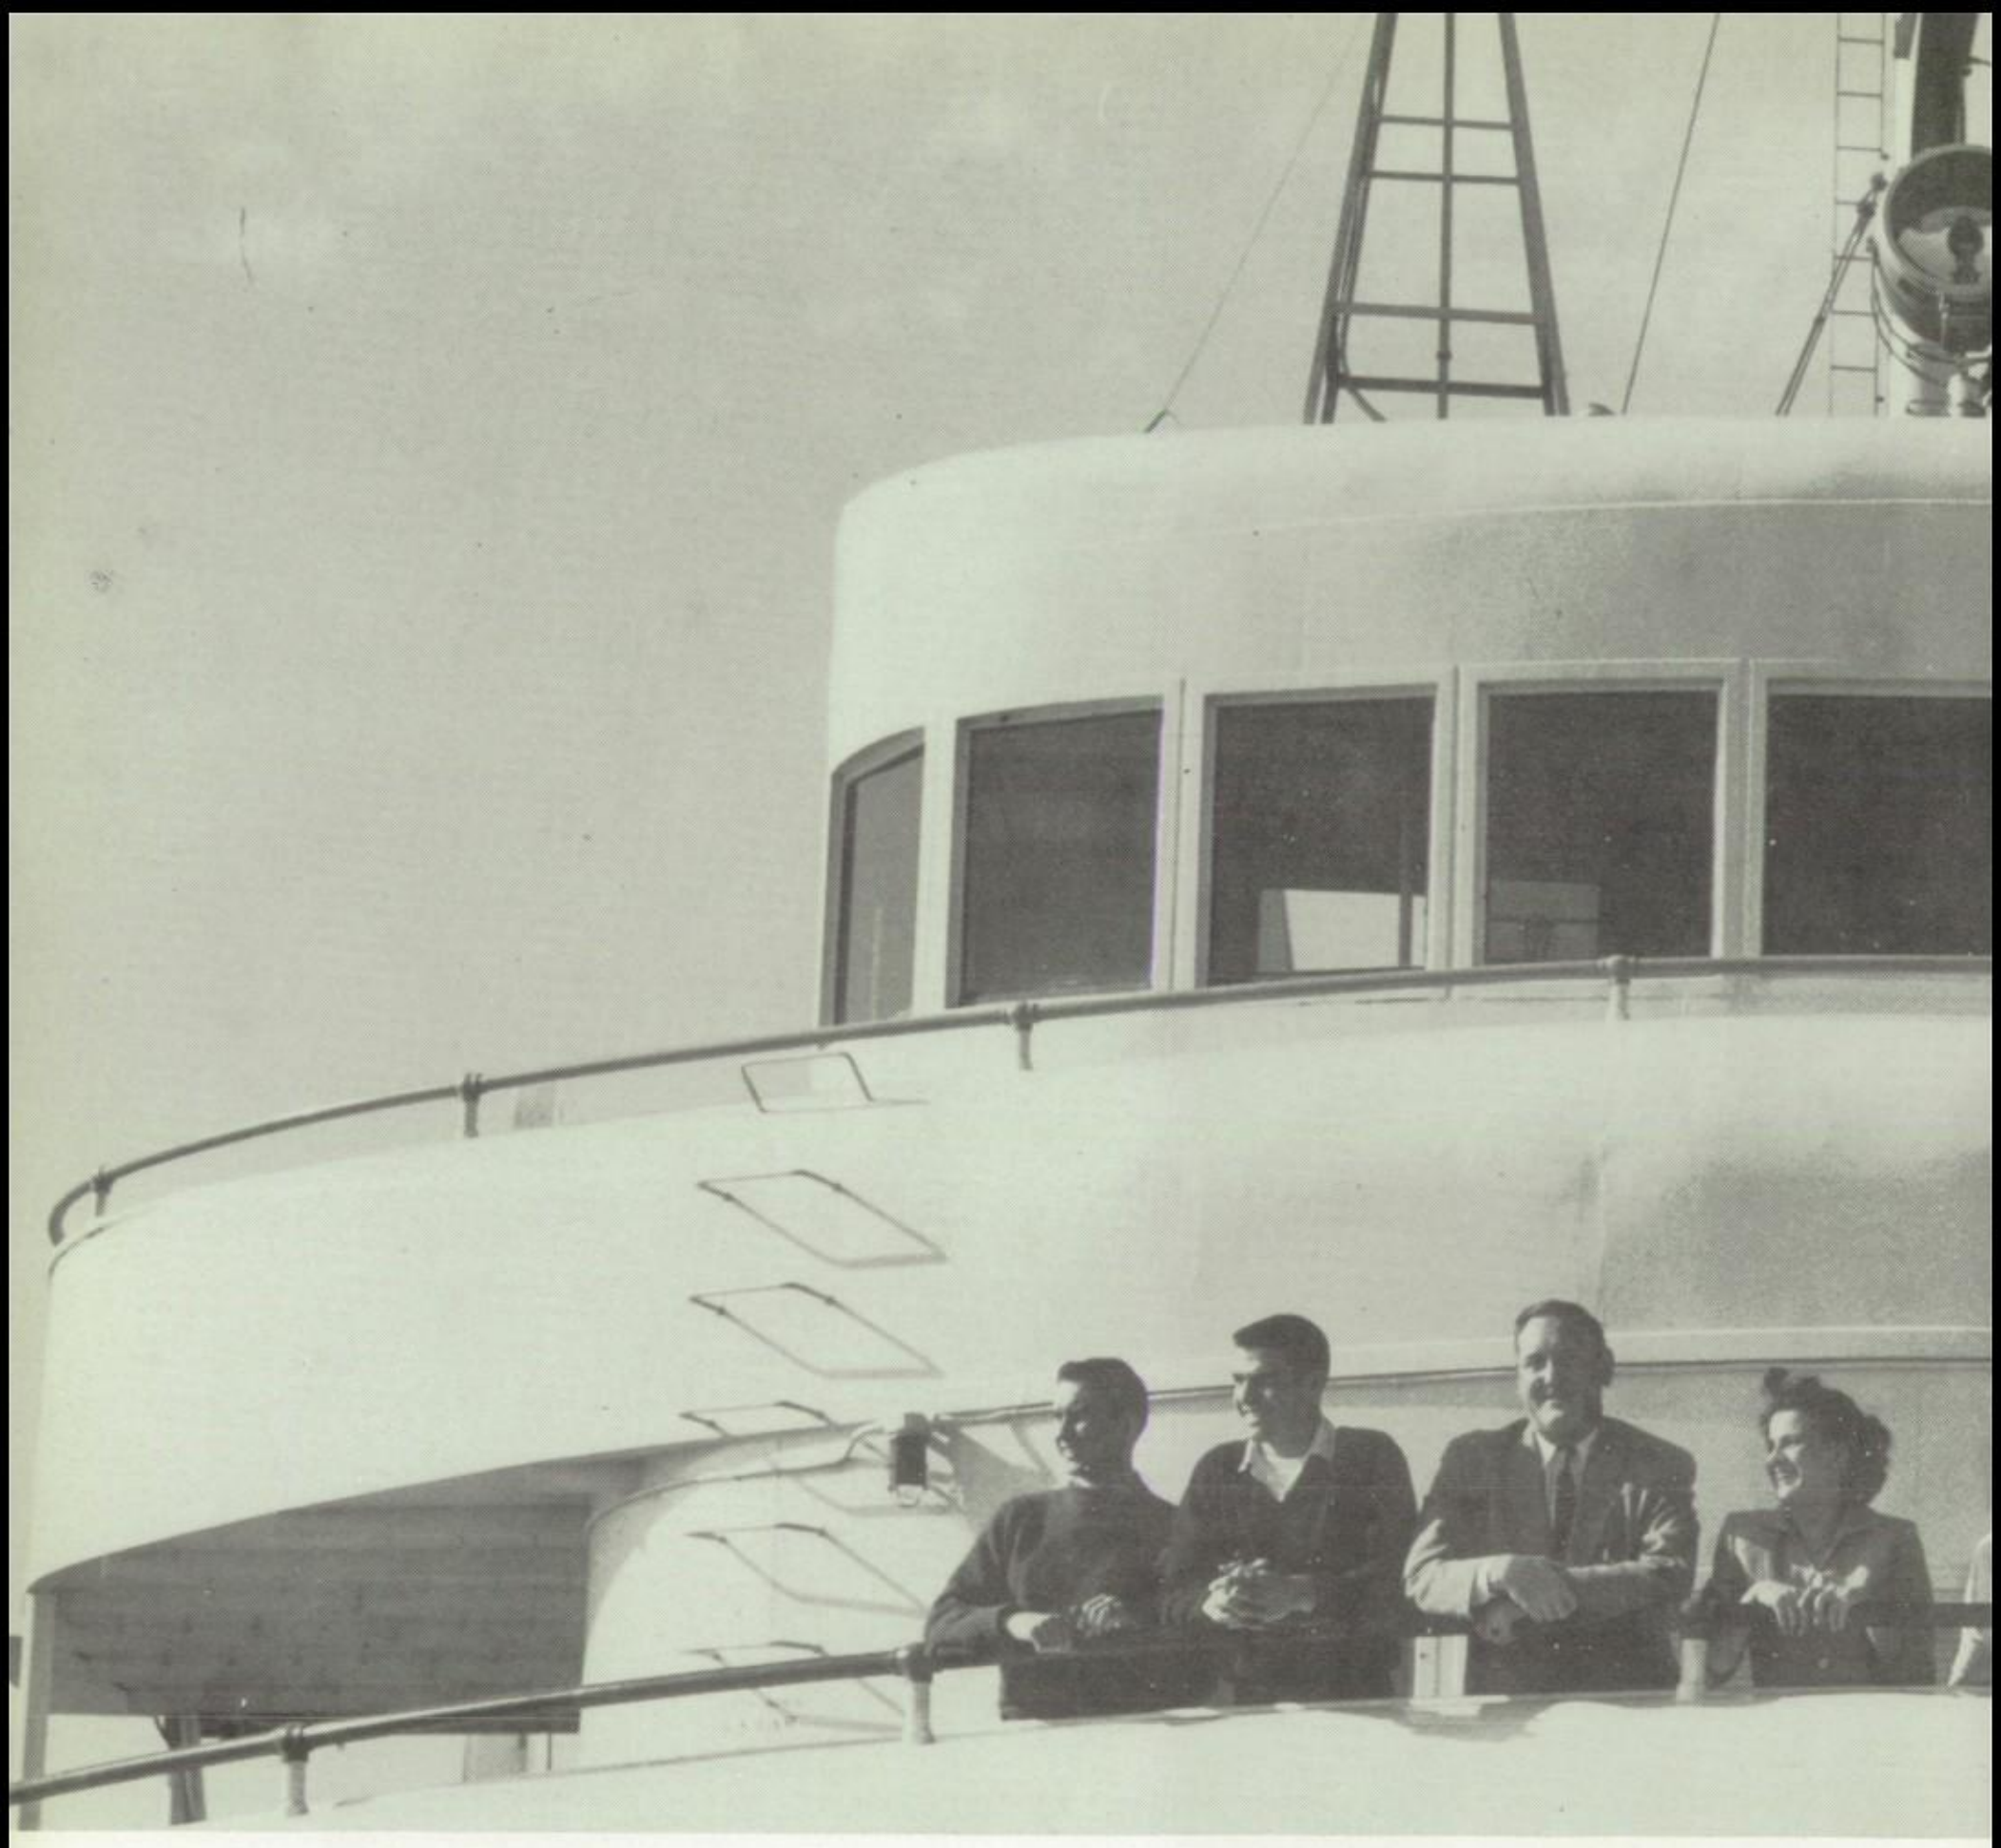
A part of Life Saving is disrobing in the water. Our swimmer seems to be having fun.

THE GIRLS IN LIFE SAVING completed the American Red Cross Senior Life Saving course early in the new semester. It was held on Mondays and Wednesdays which gave the girls the necessary requirements to pass the extra-curricular subject. Mrs. Seastrom, the advisor, conducted the meetings. This included a testing period on reading material, and the actual application in the campus pool.

The things they learned will always be of value to them. Here the girls are just learning the chin carry, which is a fundamental and first step in life saving.

Girls Join Aquatics for Fun, Thrills

The first hold the M.H.S. girls learned was the chin carry shown in the picture. Mrs. Seastrom, the swimming instructor, prepared the girls for their final in Life Saving, which gave them a Senior Life Saving Certificate.



Bon Voyage

ON BOARD M. H. S., for the last time, the seniors wave farewell as they glide out into the channel of life. They have spent twelve years in preparation. Through the classroom studies and extra-curricular programs they have been trained to face those problems which they expect to meet. They leave with confidence.

Seniors

Exchanging pictures, examining announcements, and checking name cards keep Janice Kienke, class treasurer, Bill Cross, class president, Marilyn Howard, sergeant-of-arms, and Allen Ackerman, class vice president, very busy.

February Graduates

GUIDING THE ACTIVITIES for the February class were Mrs. Jean Carlson and Mr. Douglas Tool. The class presented "Snow Dreams" for the mid-year Prom in 1956 and enjoyed a number of parties during the graduation festivities.

June Graduates

THE GRADUATES IN JUNE planned for the annual picnic, banquet, Prom, and teas given by various organizations to honor the girl graduates. One of the highlights was the class play "Seventeenth Summer," directed by Mr. Poling. Heading the cast were Janice Ebrecht and Marilyn Ferris alternating as Angie, Ray Niemi and Bill VanArsdale alternating as Jack, and Carol May as Kitty.

Miss Ann Molzen and Mr. Orin Rodewald advised the group.

Nancy Terpenning, Class treasurer, tries on a gown to see how it will fit while Judy Boyden, vice president; Chris Chonis, president; and Peg Mixer, secretary; admire and smile with anticipation.

Seniors get measured for caps and gowns while class advisors, Miss Knoll and Mr. Stevens, check names.

Awarding of Honors and Diplomas . . .

Miss Klontz presents the citizenship honor to Wendell Wickland, and scholarship awards to Janice Toppen and Sue Andrews, while Mr. Carlson congratulates Don Corliss and Kenneth Woodring for athletic scholarship awards.

Even faculty members have serious conversations before the line of march forms. Miss Pihlstrom seems to be emphatic while Mr. Curnalia listens.

. . . Climax Senior Activities

Graduates file into Hackley Stadium for the commencement exercises.

Just Cruising

JUST CRUISING ALONG — is the philosophy of the undergrads. The sophomores enter Senior High very often with no immediate goal, but gradually they begin to adjust and eventually they become juniors. The transition year brings changes. At first the juniors, too seem to be at loose ends, but by the close of the year they are more mature and are ready to assume responsibilities. The undergrad years are full of fun and nonsense.

Linda Hawk and Bill Bromley look over some of the items left in the office as "Lost and Found." Articles not claimed are sent to the Goodwill Industries at the close of the school year.

Bonnie Wolffis and Diana Leach, sophomores, are leaving for their class in Driver Training.

Flying over Muskegon, one might catch this interesting view of our campus.

Our Campus is Interesting and Alive . . .

Four students greet Mr. Snowman, one of our most unusual visitors during the year.

Enthusiastic students board the bus for the first game of the season at Lansing.

With Sports Events and Color, . . .

The Big Reds practice to perfect their plays for the games to come.

With Work and Performance. . . .

Jeanne Bunten doesn't know if she likes dissecting frogs, but her partner seems to be enjoying it.

Art Iversen waits on Bill Hentschel, Richard Cooper, and Jim Gillard, who seem to be enjoying their own cooking.

The Keyhole Variety Show came up with "hot" acts like this little German Band.

With Music and Fun. . . .

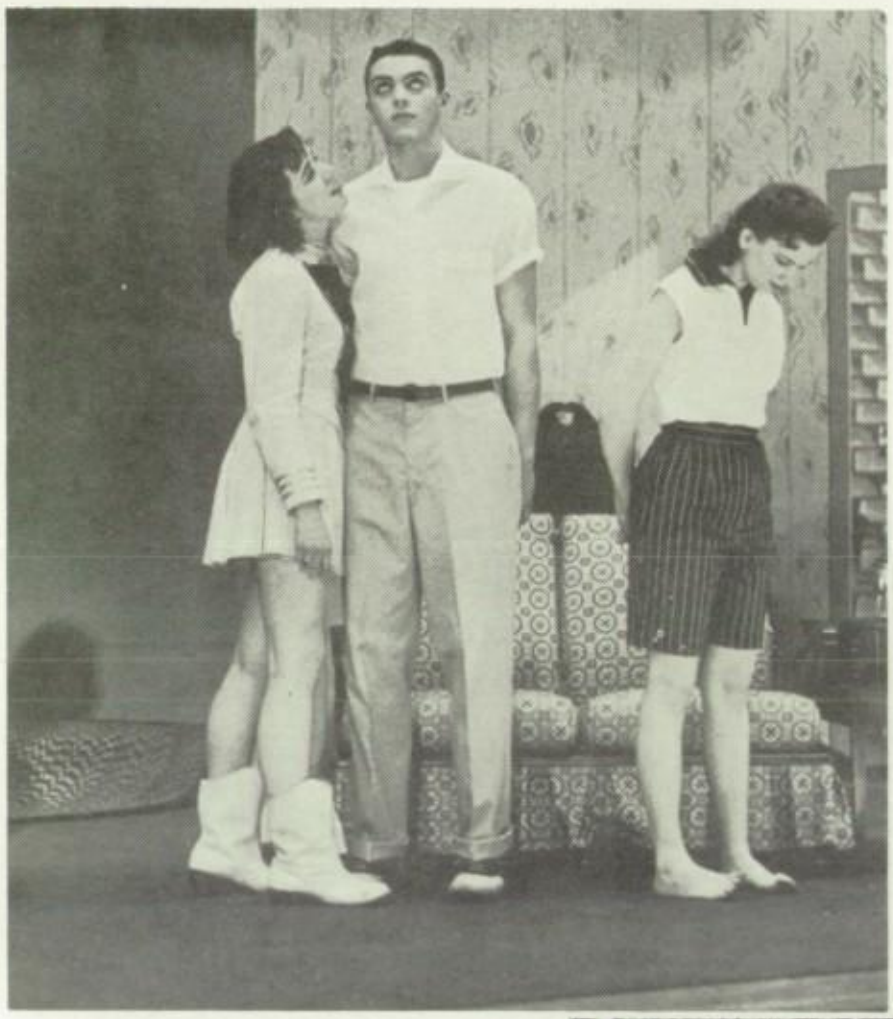
Many hours of hard work are necessary for a good Class "A" band.

With Pageants and Plays. . . .

Solemn King, Frank Glafcke, is crowned by Mr. Burdick as sophomore attendant Sue Zachariason smiles approval.

Matina Vulgaris, Paul DeHorn, and Mary Ward in a dramatic scene from the Masque play, "The Heiress."

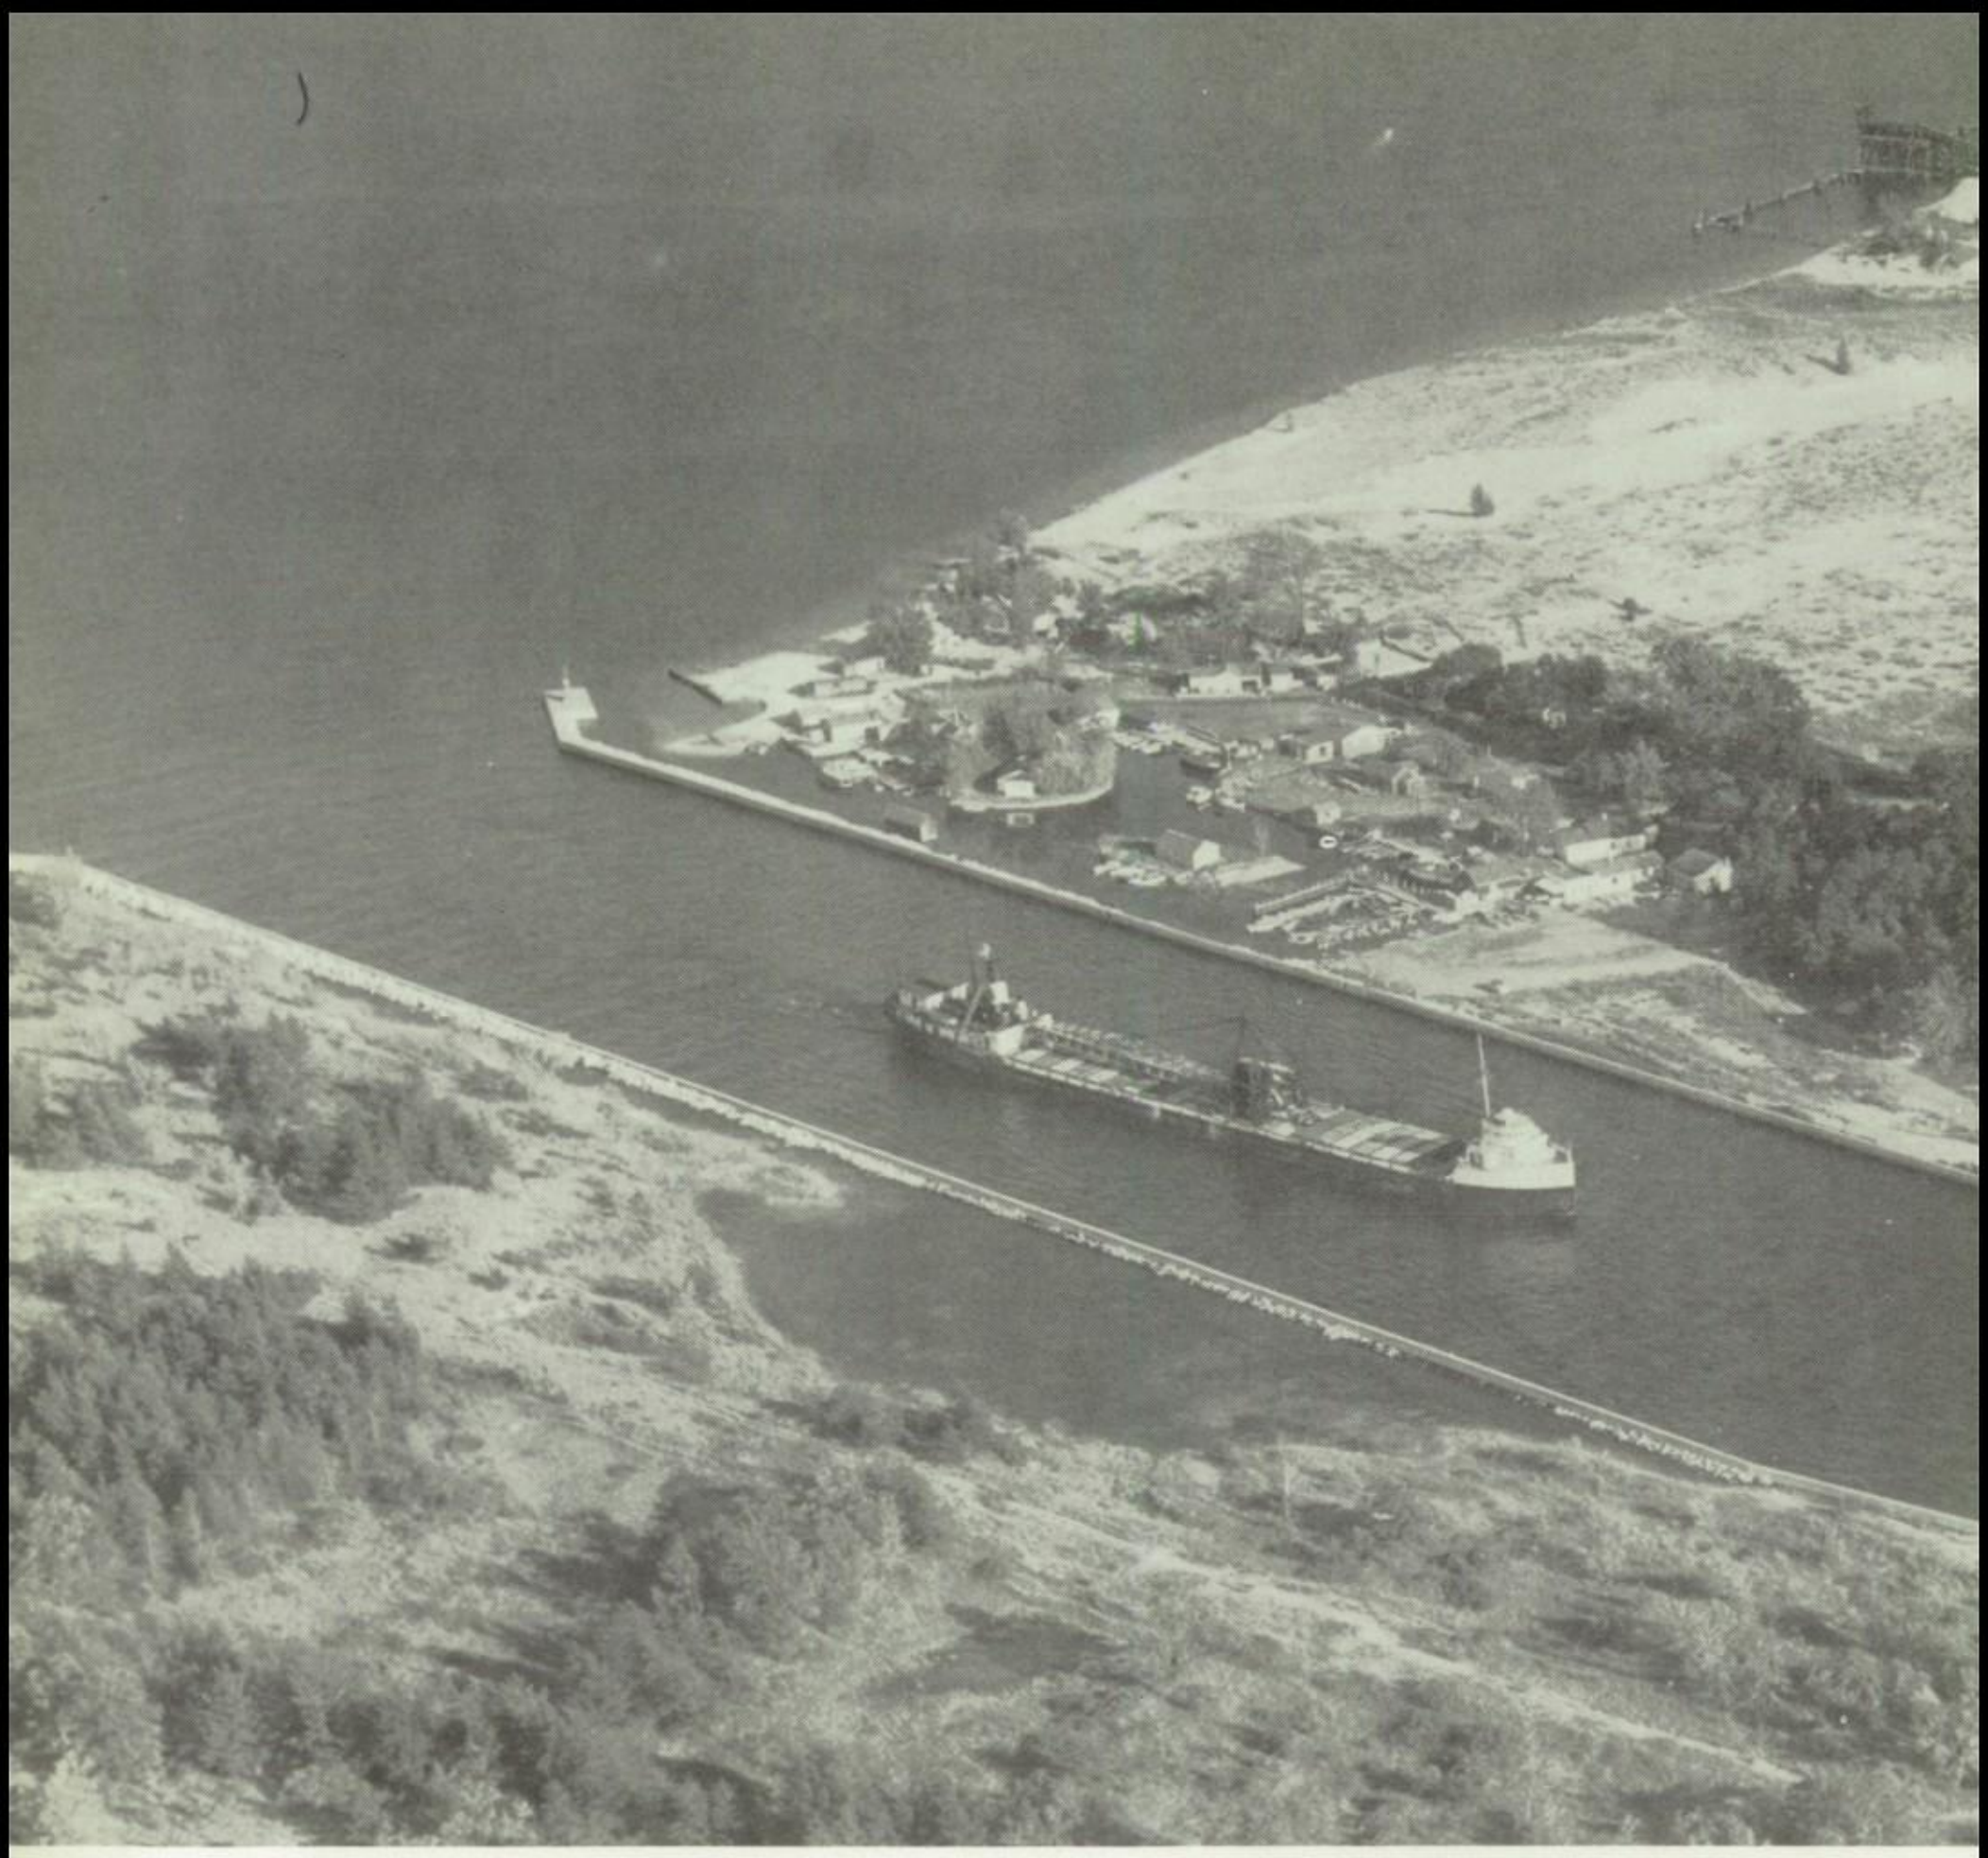
And with Senior Activities.



Angie (Jan Ebrecht) looks downcast as Jane (Pat Baesch) makes a play for Jack (Bill VanArsdale).

Angie (Marilyn Ferris) jumps as little Kitty (Carole May) tries to "hammer" her feet.

Lorraine (Nancy Terpenning) watches, bewildered, as her mother (Maxine Daniels) attempts to shake hands with Martin (Bob Cleveringa).



Cargo Ahead

AS SHIPS ENTER and leave the port of Muskegon, the merchants and industries play a vital part. Without their products, the port and shipping facilities would not prosper. As students and school personnel, we too, exert an indirect influence on the business activity of our community. Working together — the community and the school can make Muskegon truly the Port City.

GRADUATION . . .

Graduation is only the beginning. Now you start with your ABC's in learning how to save. We will pay you for doing so. Always have a bank account.

The Muskegon Bank

To the Class of '57

Upon the completion of your formal education, Sealed Power affords alert young men and women opportunities for a rewarding livelihood.

Many Muskegon Senior High School graduates have found their place at Sealed Power as has Mr. Charles LeFevre, Class of 1932, who is shown dictating his correspondence to his Secretary, Sandra Ashcraft, Class of 1955. Mr. LeFevre started with Sealed Power in 1935 in the Sales Department. During his 21 years of continuous service, he has served in many capacities prior to becoming Sales Manager for the Sealed Power Replacement Division.

Sandra Ashcraft started with the company in 1955. She has found the opportunities many. Sandra is pleased to know that she serves an important function in a major local industry as a member of the Sales Department.
